ACCEPTING THE CHALLENGE . . .

It starts in the summer (with clothing plans and a schedule that is just a jumble of names and room numbers) and will not end until June when the doors close on yet another school year. The first day we walk through the doors of Amherst or Ridge, the totally diverse backgrounds and faces of the people around us confront us with the challenge to establish a place for ourselves within the Colonel system. Realizing that in a matter of weeks we could possibly become friends with the stranger sitting beside us in English or date the girl or guy in Science class makes school more than tests, books, and extra curricular activities. It's all a matter of time, but once everyone adjusts to the fact that though different, we share a similarity — **We Are Colonels**. The sharing of both good and bad times, whether within school or outside, brings us together. We have our special friends, but within a world of over four billion people there are only 2400 **James Wood Colonels**.

THE CHALLENGE ... TO ACHIEVE SUCCESS

Each day life presents us with challenges ... some expected and some unexpected. Each day here at Wood, we accept the challenges and experience much success and some failure. Each day we try to achieve just that little measure more on the positive side than we could yesterday. Some challenges must be

met by individual effort while others can be met by collective caring and work. Each day — whether in class, in the office or hallways, at lockers, at sporting events, or wherever we may find ourselves — **Colonel people accept the challenge to achieve some measure of success.**

Mike Giles joins hundreds of Wood students who must decide what to do with life after high school.

MONTHS OF CAREFUL PREPARATION CREATES

The prom . . . magic words which stir varied reactions. Junior fundraising projects, theme discussions, and secret sessions just hint at a marathon of time and work involvement to come as the Prom date gets nearer. With the spring thaw comes an intensifying of general student interest in the most special dance of the year. A date, formal clothing and enough money for gas and a fine meal occupy student thoughts. When prom night finally arrives, almost everyone agrees that all the preparation was worthwhile.

A Blue And Silver Night Long Remembered

The evening of June 5, 1982 found the Ridge cafeteria and patio majestically transformed into the shimmering blue and silver world of Dreamweaver. More than eight hundred formally dressed people descended the southeast staircase past a huge

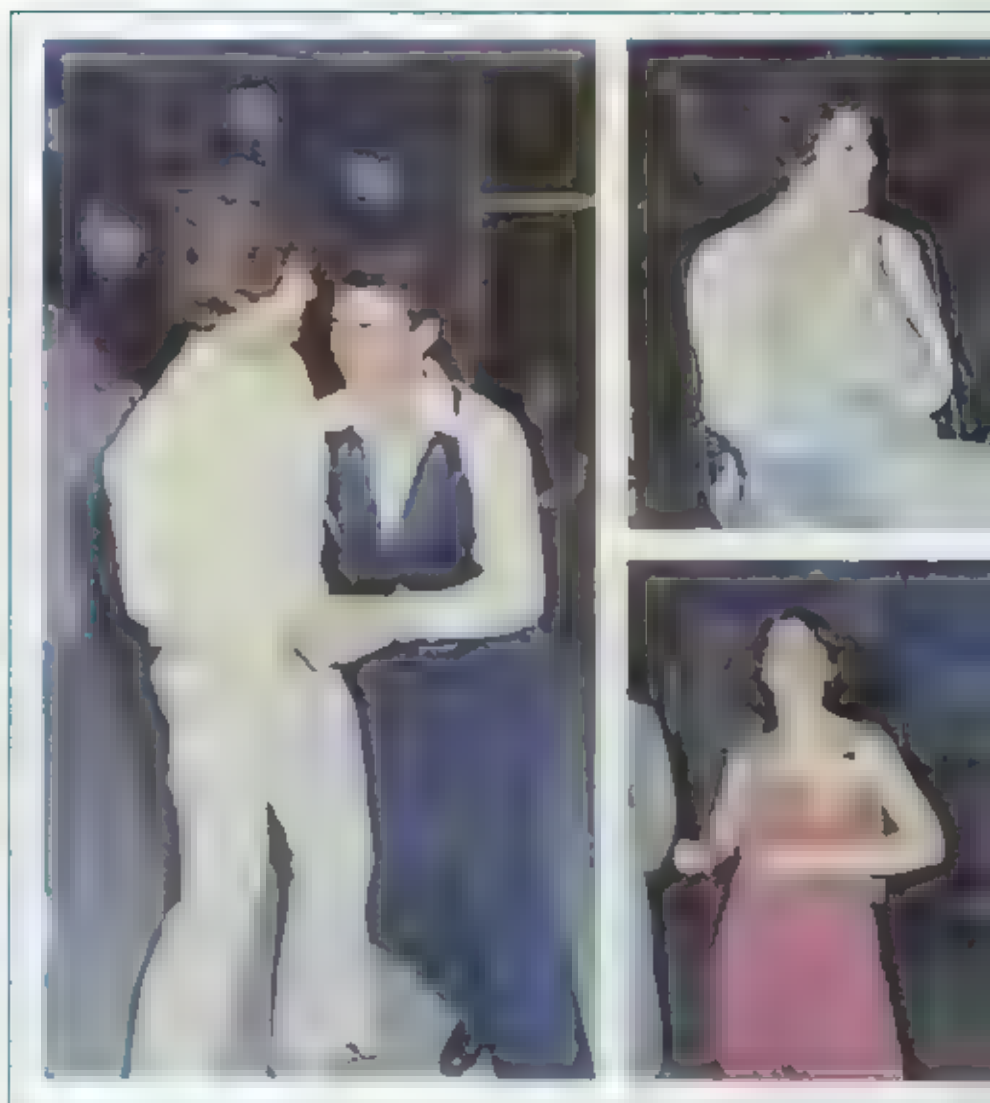

waterfall complete with running water, plants and a live turtle, passed through the Dreamweaver train, danced to the music of the band **Finale**, munched refreshments, talked with friends, posed for photos, and enjoyed the fountain on the patio

EVENING . . .

The Homecoming game was a disappointment for Big Blue fans; everyone had been pulling for the Colonels to take this one. Many of the students were distressed at the small student-patron attendance. Those who

were not at Amherst stadium missed quite a halftime show. Saturday's dance was a success. As one student was heard to remark, "Who needs a victory as an excuse for a dance?"

COMPETITION

Each day we confront competition ... competition with situations, other people, or ourselves. How we respond in these challenging competitive situations often determines our success or failure both in and out of school. Individual or team competition helps us refine our skills and further develop our ability to confront life's challenges more successfully.

A TRADEMARK OF "CLASS"

What is it that makes each school year different? Of course there are the clothing styles, and fads which mark the passing of the years. But more important than fads are the people who popularize them. Though the actual school buildings remain the same, each new Colonel class that fills the corridors of Amherst or Ridge brings its own uniqueness to the year. Individuals are what make some aspects of any year stand out in the minds of students and faculty alike. There will never be a class like any other that has passed through the halls of James Wood. The varied ways in which Wood people accepted the challenges of the '82-'83 school year has left a lasting impression in the memories of everyone involved.

Tests, sporting events, lectures, talking in the parking lot before first period, meeting friends in the halls, smiling at that new person in school, wondering how to get by with less than perfect homework (or no homework at all), coping with problems, finding something about a lecture that is **REALLY** interesting, and then going home just to return the next day: these are all ways Colonel people accept and meet the challenge of life at Wood.

SPORTS

For some of us, meeting the challenge meant reaching the goalposts, sliding into home plate, or crossing the finish line. Sports gave us an exciting complement to academics. From fall to spring, our Colonel athletic teams experienced a few disheartening defeats, but we enjoyed just as many victories.

RIGHT IN STRIDE

The Colonel Cross Country team began training during the hot summer months under the leadership of coaches Bill Stewart and Al Weldy. Coach Stewart assumed the role of head coach this season after Mr. Rusty McDonald stepped down after many fine seasons. The 1982 runners put in long hours and many sweaty miles in preparation to meet the challenge of competition. Workouts included speedwork, hillwork, and long distance runs. In addition to the hard work, team members found time to swim, pig out on pizza, have cookouts, and enjoy times together while becoming a unified group.

The boys team had a rebuilding year with only one senior, one junior, and a

flock of freshmen and sophomores. Jeff Snider placed fourteenth at the University of Virginia Invitational and thirteenth at the Commonwealth Championships. The boys team advanced to the Northwest Regional Meet by placing fourth at districts. Terry Beneke was top finisher at regionals with a twenty-fifth place final.

The Colonel girls went 7-0 in dual meets — UNDEFEATED! They placed third in the JW Invitational. Leigh Bauserman placed sixteenth at UVA and Georgetown Invitationals, and came in fifth at George Mason. Leigh and Sheila Powe joined Robin Landes in qualifying for the all-district team. Robin, the district champion, led the Colonel ladies to a second place district finish. T.C. Wade and Jin Mezzatesta also had a strong season. The entire team advanced to state competition.

The team was fortunate to have Julie Winslow and Tracy Keplinger as the hard working and supportive managers this season.

Coach Weldy summed up the season by saying, "Coach Stewart and I were pleased with the response to new techniques and we feel that all the hard work paid off with a very Successful season."

RIGHT IN STRIDE!

The Cross Country Team is often seen but not heard from, except after doing well in a meet. Sometimes they are seen running through the streets of Winchester or along country roads and fields and observers sometimes question the reason for their running. This year, both the boys and girls Colonel Cross Country squads enjoyed successful seasons. The guys advanced to regionals and the ladies placed seventh in the state. Many hours of training and sweating went into these accomplishments: so why do they run?

Robin Landes says she runs "to keep fit and to stay in shape for track, and because I enjoy being part of the team. We do have fun so it doesn't seem like hard work." Leigh Bauserman says a big reason she runs is "after you've finished a race and know the entire squad has given their best, I get a feeling of pride and accomplishment."

Head Cross Country Coach Bill Stewart was a superior runner at Handley High, at Allegheny, and during his "apprenticeship" under former JW Cross Country Head Coach Rusty McDonald. Mr. Stewart recently took time to reflect on his feelings about running. He said, "There have been many reasons for my continued interest in running. I did Cross Country and Track in school because these sports suited me best. I enjoyed the workouts and the people I met. Running provided me with the opportunity to go to college. I have continued to run because it's fun. It is a part of my life. Running is a release for me. Besides, running is a great excuse for not doing dishes or laundry." Coach Stewart recently placed second in the D.C. Marathon.

A TRYING SEASON

The Varsity Colonels had a rough season. They worked hard, practice started in the hot days of August and continued into the first days of November. The young men of the Varsity football squad put forth a lot of enthusiasm and effort with seemingly little to show for it in the record books. The squad had to accept the very difficult **CHALLENGE** of keeping a winning attitude in a year when luck just seemed to continually bounce against us. Every player on the squad when asked to sum up the season replied, "WE TRIED". Some guys could not take the losses and the

pressure and dropped out. Most of the squad, however, just buckled down and became more determined. The coaches tried to instill the idea that the guys should play as a unit and not just as individuals on a team, and they should take pride in the fact that they played with determination even when behind. One morale booster of the season was the victory over Stafford. In this trying season, despite frustrations and mistakes, The Varsity players consistently displayed guts and courage which in many ways is a victory of its own!

WE TRIED

It is much easier to be a good winner than a good loser. Often our football team had to display fortitude in the face of our best effort that had ended in defeat. Coach Webb and the Colonels were not a winning team on the scoreboard, but no one can deny they were a **Class Act** in conduct and attitude.

JV PIGSKIN SEASON

The James Wood Junior Varsity Football team had a difficult time this year. After going 0-4 and hampered by the very limited amount of J.V. Players the rest of the games were cancelled. The fact that many of the sophomore athletes played up on the Varsity curved the talent on the J.V. level. The good thing about the 10th grade athletes playing varsity football is that they should respond to Varsity competition in the next few years

A SUCCESSFUL SEASON

FRESHMAN FOOTBALL TEAM 1982 5-2-2 record

The James Wood freshmen recorded five Shutout Victories en route to a very successful football season. During the course of the year, there was a tremendous development in individual skills and improvement in team play. Offensively, the "Little Colonels" amassed well over 1000 yards rushing and more than 400 yards in the air. Special teams played a key role in every game and allowed only 5.9 points per game with 5 shutouts. Highlights of the freshman season included the 24-0 thumping of crosstown rival Handley, and the season ending string of 4 shutouts which terminated the schedule with the 30-0 finale over Charlestown. Head Coach Bruce Sheppard, and Assistant Coaches Jay Lucas and Ken Dodson as well as the entire ninth grade football squad are to be congratulated on a super effort.

Court Control

The James Wood Girls Tennis team had one of the best seasons in five years. The girls finished tied for second place in the Commonwealth District with Stonewall Jackson. The team district record was 5-2 and the overall record was 8-4.

Roberta Lake, a senior playing at NO. 1 position finished with a district record of 5-2 and a season record of 8-4. Birdie was seeded third in our district tournament where she made it to the semi-finals. She and Julie Renner also played at NO. 1 doubles and compiled a district record of 5-2 and a year record of 8-4.

A vital part of the Colonel ladies **COURT CONTROL** was the NO. 2 doubles partnership of Beth Brown and Jackie Nicholas. These girls compiled an overall record of 9-2.

The 1983 Boys Tennis Team started practice in the chilly, often wet days of March. Returning lettermen **Steve Malin** and **Jimmy Grim** (seniors), **Chris Rathel** (a junior), and **Billy Frey** (a sophomore) were joined by promising players **Ed Lee**, **Mike Mathias**, **Benji Willingham**, **Brian Gross**, **Lem Harris**, **Kenny Tenney**, **Robert Hickerson**, **Brian Boyd**, **Bob Borsato**, **Timmy Bailey**, **Jay Williams**, **Frank Hillyard**, **Brian O'Bannon**, and **Dale Dodson**.

The team worked hard improve on last year's third place finish in the district. The loss of '82 grads **Mark Adams** (number one district seed in 1982), **Jeff Wallace**, and **Todd Bailey** greatly challenged this season's guys to get tough and to compete more fiercely than before. The young players were willing to work and learn. This was a **building season** which could well lead to future success on the court.

TAKING THE SHOTS LADIES BASKETBALL

1982 GIRLS VARSITY BASKETBALL TEAM

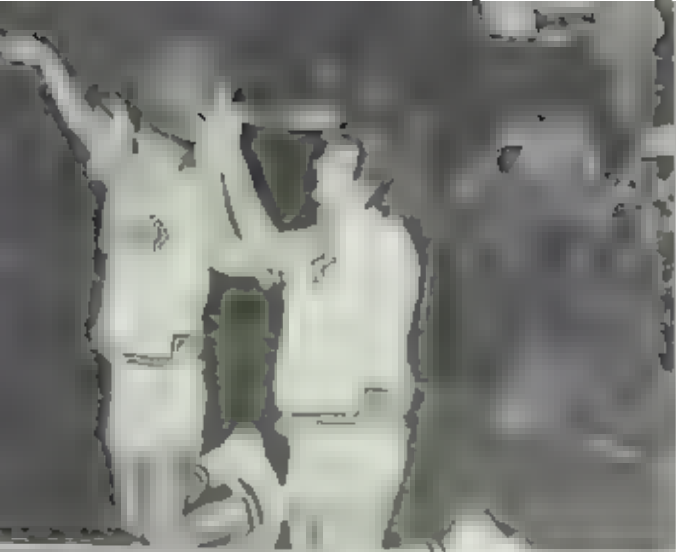

This year lone senior **Kathy Koontz** led the Colonel ladies through a very difficult and challenging schedule to a season record of 8 wins and 12 losses. **Head Coach Michael Thompson** and **Coach John Maphis** said the team started slow but seemed more poised and "together" as a team by the season's conclusion.

Cheryl Carter made the first team on the All Area Team as well as the Apple Valley League Squad. **Kathy Koontz** and **Julie Selner** were selected to the Second team in the ALL AREA LEAGUE. The basketball squad had a season on which they can look upon with pride.

LADY COLONELS' JV BASKETBALL

The JAMES WOOD Jayvee GIRLS BASKETBALL TEAM had a very successful court experience this season. Coach Brad Hoover and his squad of Colonel ladies amassed a 12-4 record, provided many quarters of oncourt excite-

ment, and were able to go UNDEFEATED in the JV Apple Valley League. To gain the FIRST PLACE ranking in the Apple Valley League the girls came away victors in eight out of eight games. Congratulations on a super year!

COURT CONTROL

One of the bright spots of our Colonel athletic year has been our **BOYS VARSITY BASKETBALL TEAM's** Court Performances. Members of our Varsity Squad are (top photo — kneeling) Robbie Smith, Stanley Long, Scott Williamson, Steve Cook, Greg McFarland, Sterling Shockley, (top photo — standing) manager Jeff DeSchon, Joe Ott, Matt McCam, John Cain, Ken Sine, Gary Gaither, Ben Cain, and manager David Grim

WE ARE THE DISTRICT, THE REGIONAL CHAMPIONS!

Varsity Basketball Coach Donnie Hambleton is an excellent coach with a superior knowledge of basketball. In pre-season, Coach Hambleton seemed to fear that his 1983 squad lacked the fire and intensity necessary to be a winning, competitive team in the tough AAA division. He said then, "We've had injuries and the intensity just doesn't seem to be there. No one appears willing to take a leadership role." Coach Hambleton, Coaches Cummings, and McDonald worked hard to help the team become a positive unit. In the season opener (a win) with Woodbridge, Ben Cain scored 20 points and Ken Sine netted thirteen. On Dec. 11th, at Broad Run, Sine scored 29

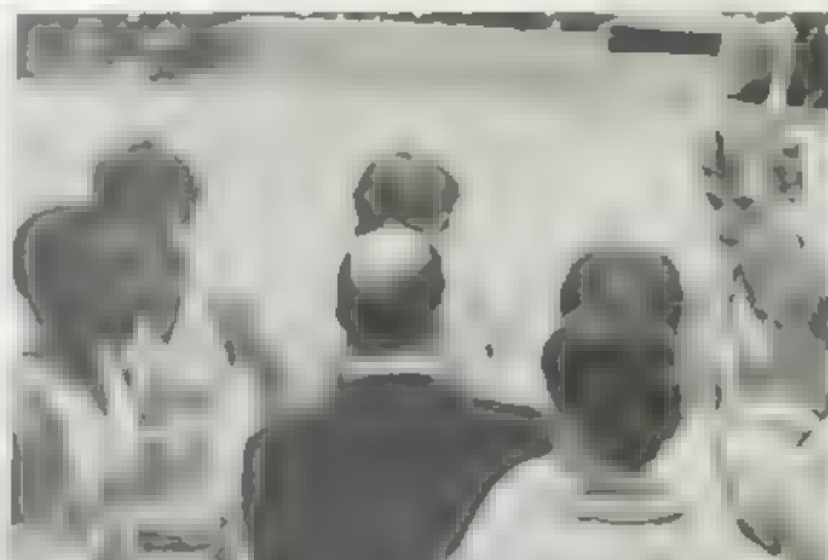

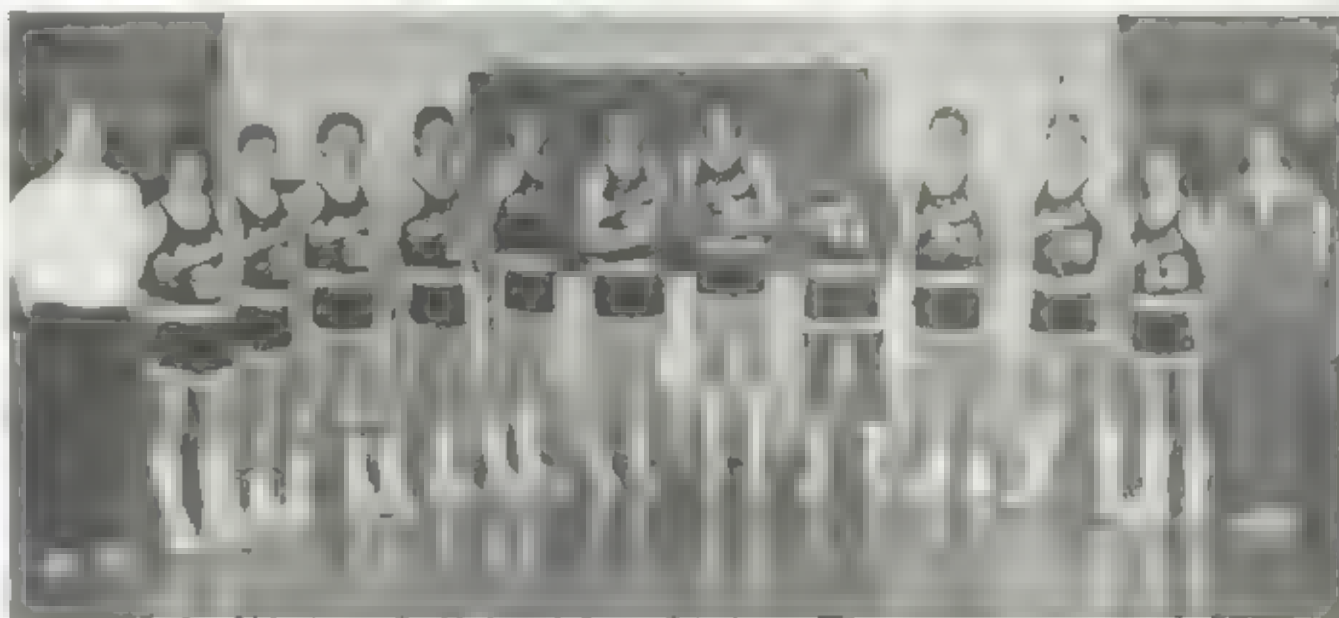

points in the 81-63 non-district win. Games at Keyser and Potomac made JW 4-0. Fans noticed that something special was happening. The team repeatedly snatched victory with intense fourth period efforts. The Wood squad started the new year with a defeat of tough Garfield. The Colonel bench helped keep the momentum going. A win against Handley, an away game — the first loss — with Stafford, and a key win against North Stafford were followed by home wins against Broad Run, Stonewall, and Fauquier. Home folks and district foes were now convinced the Colonels were for real! When starters Sine, the Cain brothers, Ott, and McFarland had a slow night the

other courtmen or someone from the bench would take up the slack. On Jan. 28th Ben Cain erupted with 32 points and 17 rebounds making the Colonels 11-1 overall. An intense 64-63 win over Handley, a hard loss at Garfield, another loss the next night after playing 4 games in 6 nights: all were just hints of coming happenings for the Colonels to endure as the wild season and the later playoffs came. SEE PAGES 64 and 65 FOR MORE SEASON AND PLAYOFF COVERAGE . . . the results of which enabled us to truthfully say, "WE ARE THE DISTRICT AND REGIONAL CHAMPIONS!"

BOY'S JUNIOR VARSITY BASKETBALL

Although the JV team finished the season with a 3-17 record, the 12 team members showed great improvement during the second half of the schedule. A willingness to work on necessary basketball skills, to play as a team, and to play with determination every minute of every game all contributed to the continued improvement of our JV's during a challenging year. During the season many of the final scores were determined by just a few points. The team lost a total of eight games by five or less points, including one overtime and one double overtime loss. Even though this team did not win big, the members played with much desire and determination which are qualities needed to enhance future Varsity teams here at Wood.

BOY'S NINTH GRADE BASKETBALL

This year's Ninth Grade Basketball team ended the season with a record of one win, eleven losses; however, everyone showed lots of enthusiasm and worked very hard. The little Colonels ended the season playing perhaps their best basketball in losing to Martinsburg by one point in overtime.

Robbie Thomas was consistently the leading team scorer and defensively Ritchie Stickley was the most outstanding player. With an increased emphasis on offensive skills, the team could quite likely be much improved as JVs next year, and be the positive hopes of the mighty James Wood Varsity Squad.

We would like to thank the Freshmen players and their coach, Mr. Mike Thompson for their efforts this year. The team (from group photo below left) included Roland Chinn, Jeff Milburn, Robbie Ketterman, Mike Turner, Ritchie Stickley, Chuck Adams, Greg Conrow, Kevin Meehan, Mike Newcome, Jeff Robinette, Larry Westphal, Mike McCain, & Mike Chickl. VARSITY WRESTLING . . . A YEAR OF YOUTH AND REBUILDING

Our Colonel Varsity matmen produced another excellent season this year, with a dual match record of 11-2-0. The young, injury plagued, sometimes inexperienced but tough and well conditioned team usually started three seniors, six juniors, three sophomores, and one freshman. Dual wins came against Fleming, Cave Springs, Warren County, Strasburg, Loudoun Valley, Woodbridge, Garfield, Stafford, North Stafford, Stonewall, cross-town rival Handley, & Fauquier. A punishing loss came from our meeting with the powerhouse Potomac squad. District tournament winners were Mike Weir, Jim Youngblood, Brian Legge, and Rick Sanderson (all taking fourth); Jeff Boulais and Chuck Phares (placing third); Darren Brown (second). Phares & Brown were also regional winners, with Brown advancing to the state level. Danny Ritenour compiled a season of 6-3, and would have been first seed at Districts, but was permanently sidelined by a knee injury.

Head Wrestling Coach Walters and assistant coaches Copp and Strosnider spent countless hours teaching mat moves, supervising practices, and generally coaching our wrestlers. Mr. Andy Maguschak, the Voice of the Wrestling Colonels at home matches, was an added feature this year. Mr. Maguschak is a retired Navyman, a former college football & wrestling coach (Norfolk, Granby, JMU) and recently moved with his wife to a home in Gore.

Our wrestlers, coaches, managers, parents, and loyal fans are to be congratulated on a year of positive support, rebuilding, and for having produced a year to remember with pride.

DARREN BROWN TAKES FIFTH

Darren Brown was the only wrestler to go UNDEFEATED (13-0) in dual meets. Darren wrestled at 176 and at 185 depending upon where Coach Walters felt he would most help the team. He went to the State Tournament for the second time in two years and came away with fifth place. Brown said of the season, "We worked together and worked HARD. More people should have gone to state. For myself, I'm happy I placed and thus met my season goal. I want to be in the finals next year. Wrestling is my favorite sport and means a lot to me."

JUNIOR VARSITY HAS A WINNING SEASON

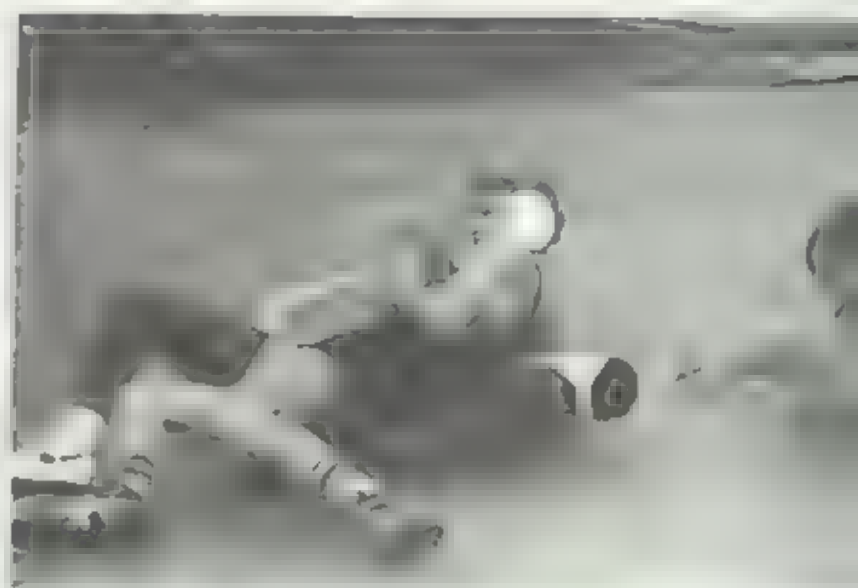

The Junior Varsity Colonel wrestlers had a very successful season with a final record of six wins and two losses. The JV Colonels smashed the John Handley wrestling squad, defeated Garfield and pinned a strong Woodbridge squad. The only defeats came at the hands of the undefeated Potomac JVs, and against the Varsity wrestlers of Mercersburg.

The "little Colonels" were a young but tough group of guys. Several Frederick County and REA Middle Schools boys sometimes were called into action, and the majority of the team was composed of freshmen.

Coaches Jay Copp and Gary Strosnider emphasized conditioning (especially the "Bonneville drill") and presented a squad which stayed competitive in every match. Charlie Cook (132) & Derrick Roy (138) had an especially good year.

FRESHMEN WRESTLERS UNDEFEATED

The James Wood Freshmen Wrestling Team, coached by Clint Jones (Head Coach), Pepper Martin (Assistant Coach), and John Bryant (former JW wrestler), posted an impressive undefeated season of 12 victories and no defeats. The squad consisted of 28 members (23 freshmen & 5 sophomores). Besides going **undefeated in dual matches** the team also participated and fared well in the Westminster Wrestling Tournament and the JW Open Freshmen Wrestling Tournament.

Outstanding wrestlers included: 138 pounder Mike Gordon (9-0); 155 Pounder Don Bowers (7-0); Jeff Longerbeam (7-0) at 167; Eric Strosnider who weighed in at 126 (9-1); Andy Allegra (9-1); at 98; Jamie DeBari (7-2) at 90; and Danny Gallo (7-2). Bowers & Gallo took second place in the JW Tournament, while Strosnider placed first. **Congratulations on an undefeated season.**

ON THE BEAM . . . GYMNASTICS

This year's Gymnastic Team was plagued by many injuries which eliminated two of the three top Colonel ladies. Karen Mustian, a sophomore, was knocked out of the last half of the season by a knee injury. Sally Eyles, a junior, secured a fractured wrist. Sophia Sfarnas, a junior, also injured a knee, but still emerged as JW's #1 all-around leading point maker and team leader. Despite a disappointing season, the team showed marked improvement individually. The Colonel ladies were coached by Mrs. Betsy Gowdy.

Season highs were:

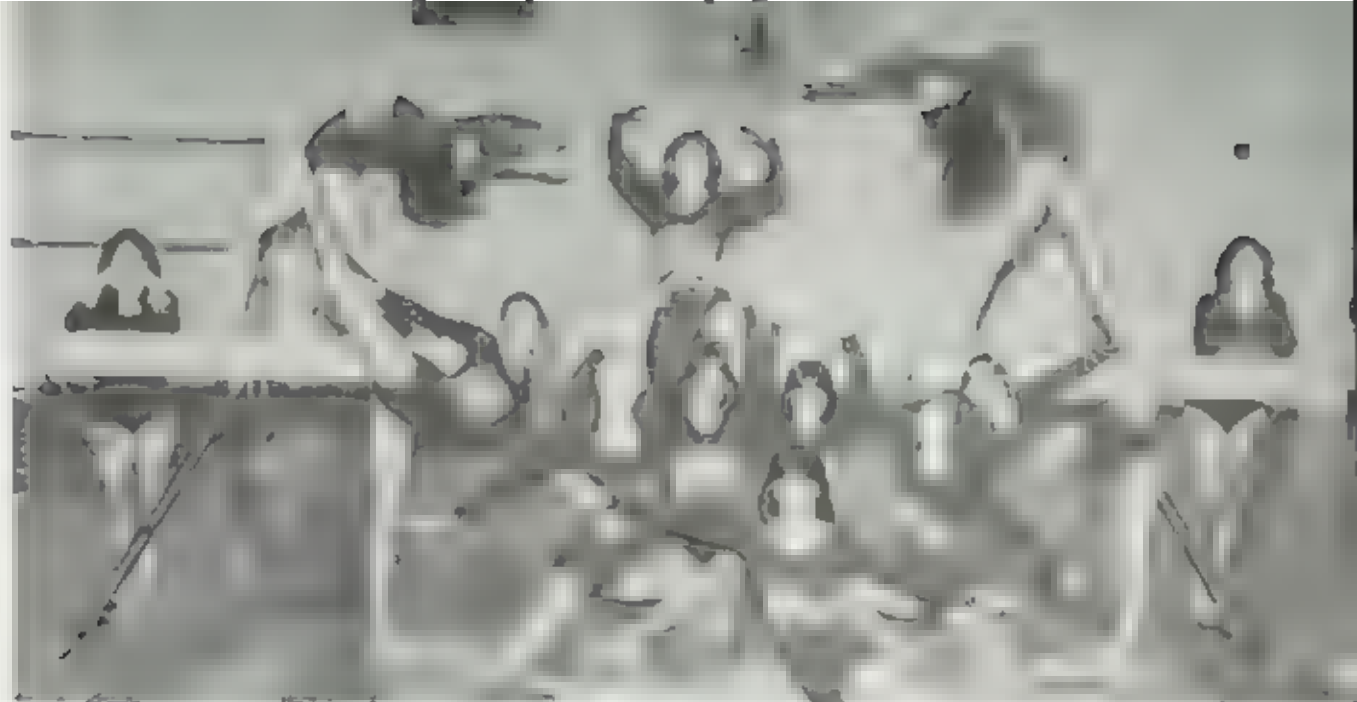

Bars: 7.1 Eyles 7.05 Sfarnas

Vault: 7.7 Eyles 6.05 James

VOLLEYBALL COMES TO WOOD

Girls Volleyball started for the first time at James Wood during the 1982-1983 winter season. There was a lot of interest in the sport, 65 girls showed up for a week of tryouts. This was narrowed to 13 girls on the J.V. team and 12 girls on the Varsity. Most of the girls have had some experience at the middle school level. Volleyball is a sport that has grown a lot in this area in the past 5 years. The teams play by power volleyball rules which define the ways of hitting the ball very specifically. The names of some of the skills used are serve, bump, set, spike, and dink. The more advanced the player the more control she will have at each skill and knowledge of when to use them. This season consisted of 8 matches with the following schools: Broadway, Central, Hampshire County, Keysar, Frankfort, and Loudoun County. Volleyball is an interesting spectator sport because the game is fast moving with a lot of action at the net. The home games were played at Frederick County Middle School. We look forward to having a full schedule of 12 matches for the 1983-1984 season.

The 1983 Golf team under the leadership of Coach Jerry Tingle entered this season with a young, largely inexperienced team. There were four returning lettermen but only one of these players was a senior. The team depended upon freshmen to keep their scores competitive through the schedule. The team put forth much concentration and effort to make the golfing Colonels a team to be proud of again this year.

The team members include: (L to R) Robbie Sherman, Tim Frye, Scott Williamson, David Oates, Todd Lloyd, Keith Linaweaver, Brian Pence, Coach Tingle and Elisa Gaston (pictured right)

COLONEL BASEMEN: 1983 BASEBALL

Once again Head Coach Bill Beckman led his Colonel batmen into a tough but exciting season of baseball. The large number of Wood males who tried out for the Varsity Colonel squad made it difficult for Coach Beckman to decide on his "cut lists" before the final team selection was announced. Several of the Colonel players got a late start due to the long season of the highly successful varsity Basketball season. Cold wind and many rainy March days often forced our baseball practices indoors from the Amherst practice field to the Ridge gym, and the indoor batting cage. Coach Beckman, Coach Bill DeHaven, and JV Coach Pepper Martin spent many hours stressing basic skills, developing more refined talents, and in superior conditioning with the 1983 Varsity and Junior Varsity squads. Home games were played at Bridgeforth Field in the Winchester Park

COLONELS IN THE SWIM

The first year for the swim team has proven to be a valuable experience for the swimmers, their parents, and their coach Mrs. Lynn Robinson. The assistant coach was Mr. Lynn Robinson. All involved felt the year was a success and the vet swimmers as well as the newcomers to the sport were determined to make it one! This co-ed

team, captained by Steve and Stephanie Zebarth though weak in numbers, proved to be a very worthy opponent.

The team extends it's thanks to the Winchester Recreation Dept., and the WST Boosters Assoc. for getting this team off the ground and into the water.

TRACK '83

Late March turned many James Wood athletes thoughts to track. Soon the 21 boys and 15 girls returning from last year's team were joined by "rookie" tracksters eager to help make the 1983 James Wood Track season a successful one. Six senior boys, and six senior girls were among the track veterans. The six returning lettermen were joined by mostly freshmen and sophomores. Besides the Colonel athletes, the Colonel coaches played an important role in our track efforts. These coaches were Mr. Rusty McDonald (Boys Head Coach, Boys Hurdles, Pole Vault), Miss Margaret Fake (Head Girls Coach, Relays, Girls Hurdles), Mr. Dave Weir (Coach Boys and Girls Jumping Events), Miss Carol Custer (Sprints, 100, 220, 440, 880 Relays), Mr. Joe Chamberlain (Weight Events, Shot & Discus), Mr. Al Weldy (Middle Distance and Mile, 440, 880), and Mr. Bill Stewart (Boys Distance Events, Mile, Two Mile).

This year's squad was mostly inexperienced but worked very hard. Emphasis was placed on building and gaining experience in the various track events to find out which people best fitted which events by the end of the regular season. Coach McDonald stated that the overall goal was to advance as many Colonel people as possible to the regional level of competition at the end of the track season.

"Wood's burning and the fire's hot." This familiar cheer and the gym rocking enthusiasm of the Colonel fan and the 1983 Colonel Varsity Basketball squad overturned many foes who had met Wood confident of a win only to leave the court in defeat. By the Feb. 4th home game against Stafford which was won by 24 Ben Cain points and a John Cain contribution of 20 points added to Matt McCain's 12, newspapers, rival squads and the community knew the Wood team was for REAL! Wood now stood 8-2 in district play. Banners, pep rallies, and

INTENSITY, SKILL, FANS, BUS RIDES, COACHING, AND DESIRE GET US TO THE U. VA. STATE SEMI-FINALS

blue/gold painted fan faces appeared at JW. The combined 36 points of the Cain brothers gave Wood a victory over North Stafford. At Woodbridge, Ben Cain scored the 1,000th point of his high school career. Two days later Wood lost to Fauquier away and a few reporters and district people delighted in the loss, but the players came right back to win against Stonewall with Steve Cook's crucial three point play in overtime. This tied JW with North Stafford for the regular season title. A ONE GAME PLAYOFF. For the rest of the season it was do or die. The guys buckled down, and somehow juggled academics, practices, and long bus rides with intense court play. On Feb. 22, JW dropped an overtime decision to North Stafford and had to settle for second place. The next night Ben Cain led a fired up Colonel team past Stafford in a game which started in a preliminary shouting contest between school cheering sections which showed Wood opponents that we were hard opponents both on and off the court! Wood now had a 17-5 record. JW netted a victory over the hot-handed Stonewallers and on Feb. 26, JAMES WOOD WON THE DISTRICT TITLE by defeating North Stafford 72-70 in DOUBLE OVERTIME. John Cain proudly sported the championship net around his neck at the awards presentation. Ben and John Cain were named to the All District Squad. Ben would later also be selected to the All Regional Team. Patrick Henry was fourth ranked in the state and newspapers and announcers rated Wood the severe underdog. Hambleton called the Henry game, "our biggest challenge so far." Cain had the flu and could not give his usual output but before one of the largest crowds ever to fill the Ridge gym Sine and Ott took control and the Colonels stunned the Patriots with a 49-45 game and advanced to the regional title game. After trailing the tough Halifax team at the half the Colonels played inspired ball the second half, but with just 10 seconds to go Halifax player Owen netted a 30

footer and the game went into overtime. Wood kept cool and walked away to crowd cheers of "U VA, U VA" the REGIONAL CHAMPS!

All week before meeting the heavily favored Marshall-Walker team for the semi-finals of the state AAA tournament, excitement was high, concentration intense. Friday, March 11th saw the entire student body of JW Ridge and Amherst turn out to give the guys, coaches and cheerleaders a rousing sendoff! Ten busloads, and unknown scores of carloads of Colonel fans attended the Charlottesville game on the home court of Ralph Sampson. The opposing coach had earlier hinted that Wood shouldn't bother to show up . . . that we were too small, too young, and too slow. Wood kept within victory for more than three quarters of

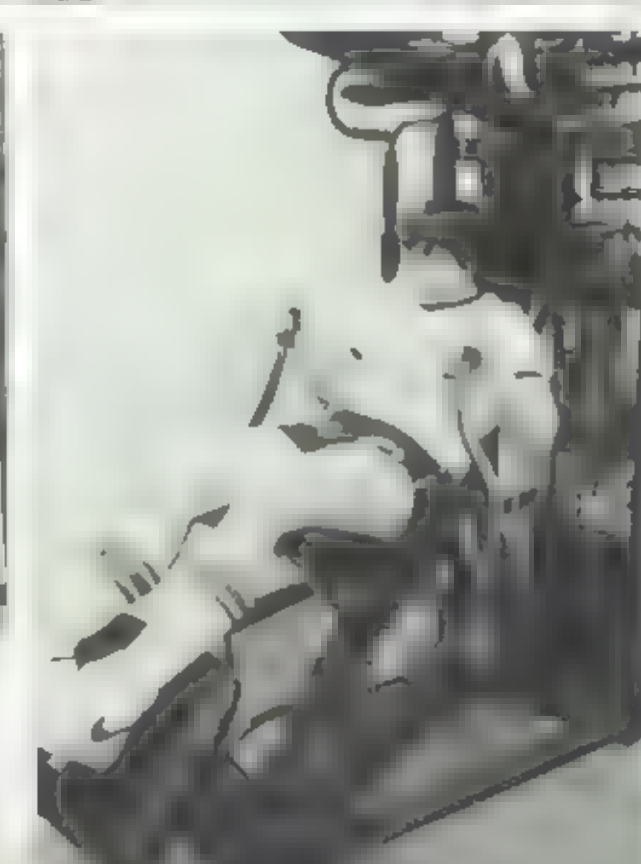

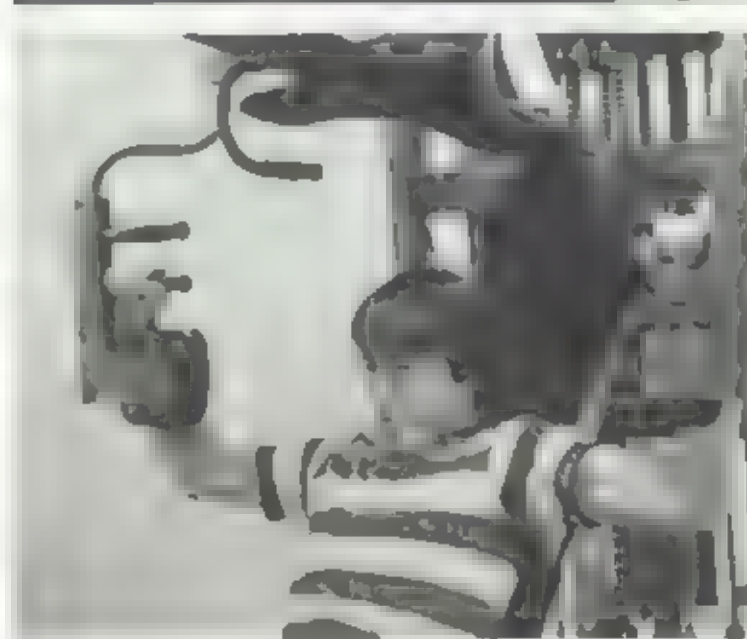

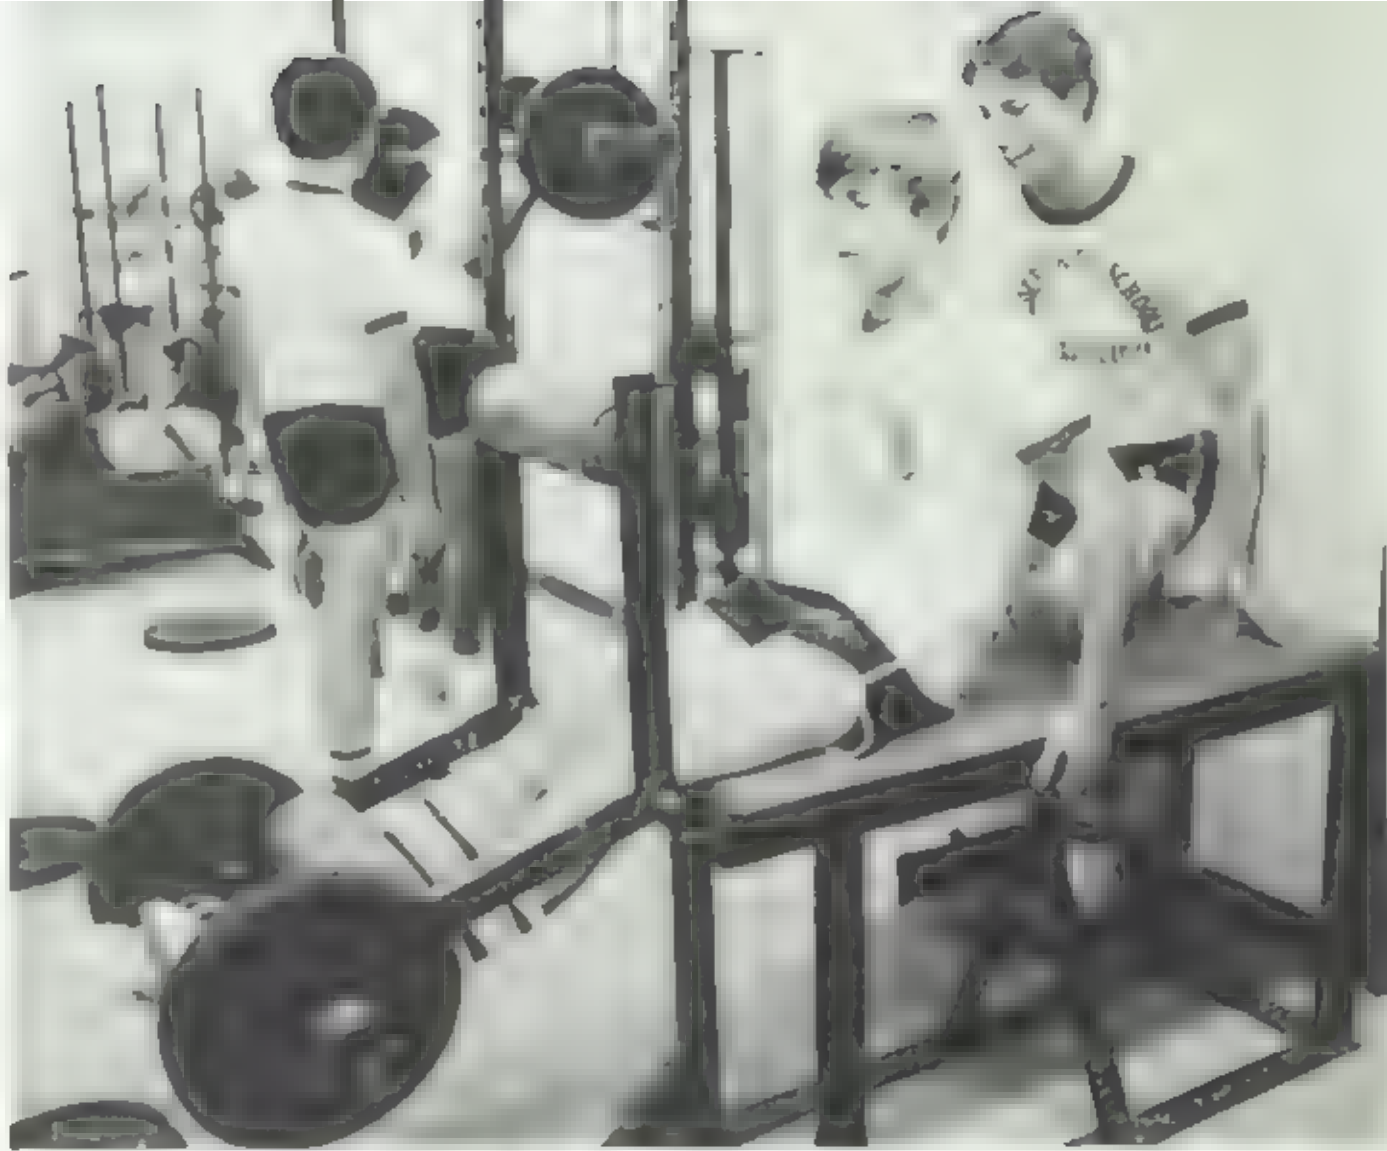

the exciting, fast paced game, but lost it in the final period. All but one player (Robbie Smith, a senior) could return next year. The team stayed over in Charlottesville to watch Marshall-Walker repeat as state champ by a one point victory the next night. Coach Hambleton said, "I thought our effort was great. I may be a little hard on our players at times, but when it comes to game time, nobody plays with more desire than we do. Our kids didn't win state, but this is our best Colonel effort since 1965, and they did a super job to get where they did." One player stated, "Yes, I guess I'm satisfied to get so far, but next year we want to come back for the final game. Tell Marshall Walker we'll see them again next year. I think they'll remember the Colonels!"

The Wood-Marshall Walker game tipped off shortly after 9 O'clock Friday evening, March 11, 1983. Loyal, loud Colonel supporters rocked the stands at University Hall. Wood players had to get used to the huge court and gooseneck supported baskets. Our cheerleaders cheered themselves hoarse, as thousands more listened at home to the radio coverage. Wood ended its 21-6 as one of the top four teams in the state. (Thanks to Paul McClure for the U Va pics.)

Loud rock music greets you as you enter the gym hallway. The metallic sounds of weights being reunited with weight stands. The voices of young people at hard physical labor. As you enter the world of the new Ridge weightroom, you see boys and girls earnestly accepting the challenge of improving and developing

body power and control. Mirrors increase the illusion of additional space and encourages harder work by those striving before them. At least one coach is present at all times that the weightroom is open. Often you find yourself drawn into the world of the Colonel mirrors, music, and weight machines!

SPIRIT SQUAD

One group of Wood students that could always be depended upon to generate school spirit and enthusiasm was our Varsity Cheerleaders. These girls were selected from a large group of students at try-outs, spent a considerable amount of their summer time attending cheer camp learning and perfecting routines, and

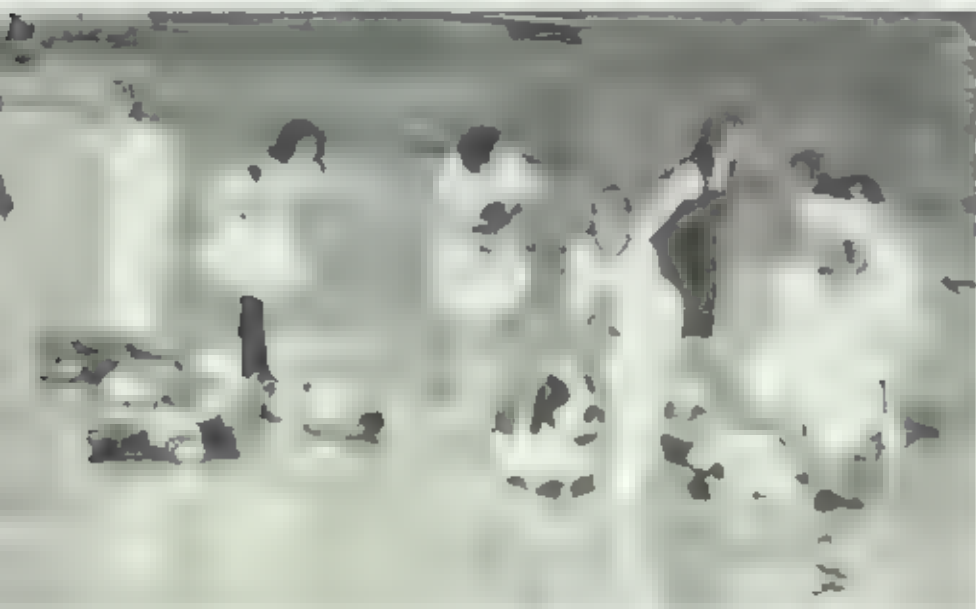

donated countless afternoons and evenings making spirit banners and cheering on Colonel athletes. **WIN OR LOSE**, these spirited ladies were there. Mrs. Huet, a teacher at neighboring Apple Pie Ridge Elementary, sponsored and guided these girls to an excellent year.

COLONEL SPIRIT IN ACTION

The Freshmen Cheerleading squad of 1982-1983 attended cheerleading camp at Hood College in Frederick, Maryland. They received four excellent ratings, one superior rating and won the spirit stick. They were accompanied by Mrs. Cindy Stewart and Mrs. Sandra Glover, sponsors. During the year they worked together on many fundraisers to help pay for new sweaters and camp expenses. They cheered for all football games, basketball games, and several wrestling matches. Keeping up with cheers and chants required practice at least once a week. Parents, Junior Varsity and Varsity Cheerleaders, administrators and faculty were always there to give them support. It proved to be a very busy, yet exciting and rewarding year for each of them.

ACTIVITIES

Extra-curricular activities played an important role in our school year by providing opportunities for service, leadership, and learning. Each person could accept the challenge of refining interests and skills through numerous school activities.

SENIOR SALUTE

November 3, 1982 was a memorable evening here at James Wood High. This was the evening of the Senior Salute which is the traditional pep rally dedicated to Senior football team members and Senior cheerleaders. This year the action was fast and wild!

The cheerleaders on the Varsity squad had football players and Senior managers enact aspects of their personality, and the players tried to show outstanding characteristics which were widely known about the Class of '83 cheerleaders.

The Senior Salute is an evening to laugh, to grasp at the nerve and silliness of the "show", and a time to get the first indication that the Senior year just **MIGHT** come to an end sometime in the future! Looking back now, the **SENIOR SALUTE** was definitely an evening to remember.

GET THAT COLONEL

Whistles, yells, stomping bleacher footrests, whirling spirit stick elevated over the crowd, class spirit competitions, leaping cheerleaders, "breakdowns" by team leaders, intense coach expressions, skits, water and numerous food items thrown on student victims, visits by the Colonel version of E.T., posters, loud music, dance routines, bodies gyrating, some people holding their ears, infrequent faculty frowns, lots of smiles and laughter — it is another typical JAMES WOOD HIGH PEP RALLY! Get that COLONEL SPIRIT!

SPIRIT

This year we had mixed results in the sports success and failure columns. In each sport, pep rallies cheered us up or cheered us on. Pep rallies gave increased opportunities to create student and team unity. Such events stimulated Colonel spirit.

The annual Miss James Wood Beauty Pageant, sponsored each year by the James Wood Chapter of the National Honor Society, was held November 6, 1982 at the Amherst Campus. The theme was "A Fall Garden" and the stage was decorated with brightly colored trees and plants. The girls entered the stage through an arbor which was decorated with vines and springs of pyrethrum. 75 contestants participated. Lori Hart, a junior, was named Miss James Wood. First runner-up was Kathryn McDonald. Second runner-up was Cathy Rathbun

HAUNTED HOUSE

This year the James Wood Band Haunted House was held at the old Triangle Shoe Store. The Haunted House was described by many as a "maze of terrifying monsters"! Silent evil horro types served as guides through the maze of monsters, life-like wax figures, mummies, torture chambers, dungeons, mad scientists, werewolves, and witches.

All band members and Band Boosters worked very hard to make this a successful project.

"BYE BYE BIRDIE"

Spring brings flowers, warm breezes, and a Gloria Biddle play production here at JW! This spring the late 50's era play "Bye Bye Birdie" (a take-off on Elvis Presley going into the military service) was selected, cast, produced, and presented by Mrs. Biddle and her student actors. More than 50 people tried for the roles and selection and lengthy and difficult.

Day performances were given for students from Aylor and Frederick County Middle Schools, as well as for Amherst and Ridge audiences here at Wood. A public performance of the play whose setting is Sweet Apple, Ohio was given on May 21, 1983 and gained enthusiastic praise from the audience.

HISTORY STUDENTS INVADE JAMESTOWN, WILLIAMSBURG

Despite the threat of snow at home on departure day, a bus breakdown which required everyone to be crammed into two buses most of the time, and numerous bouts of nausea, this year's U.S. HISTORY field trip managed to be a positive event. Ninety-seven students, three lady bus drivers (Mrs. McKee, Mrs. Hoffman, & Mrs. Scott), and administration-faculty members Mr. Weir, Mr. Webb, Mr. Beckman, Mr. Brinson, Miss Ghenn, Miss Spence and Mrs. Hodgson left early February 25th and returned late the next evening.

The tour began with visits to Jamestown Island and to the reconstructed fort and ships. After checking into their overnight accommodations, the group took a candlelight tour of Williamsburg. Most of Saturday was spent on guided tours of the Capitol Building, the Governor's Palace, and various craft shops in the Colonial Capitol. Upon the return to Ridge Campus, Mr. Beckman was heard to remark that he was thinking of doing a teeshirt with a bus-wrecker drawing and the wording "I survived the Williamsburg Trip '83!"

THE SCA UNITES US . . .

This year the James Wood Student Council Association accepted the challenge of providing an effective voice for concerned students regarding school pupil policies. Student concerns were heard and planned activities publicized.

Orientation assemblies are guided tours for freshmen and juniors helped ease fears and concerns of "new Colonels". Numerous activities during Homecoming Spirit Week, an exciting Christmas Dance, the STAMPEDE film, sock-hops after basketball games, and the Country Current Navy Band all helped us feel more united and left many with a smile. Student elected senators served as spokespersons between students and administrators, worked at concession stands and put on the very popular WARM FUZZY program.

SCA leaders tried constantly to improve the quality of their personal and school leadership by attending leadership conferences on the local, district, and state levels. There are only 100 SCA Senators, but the entire student body belongs to the Student Council Association

A HIGH QUALITY ACT ...

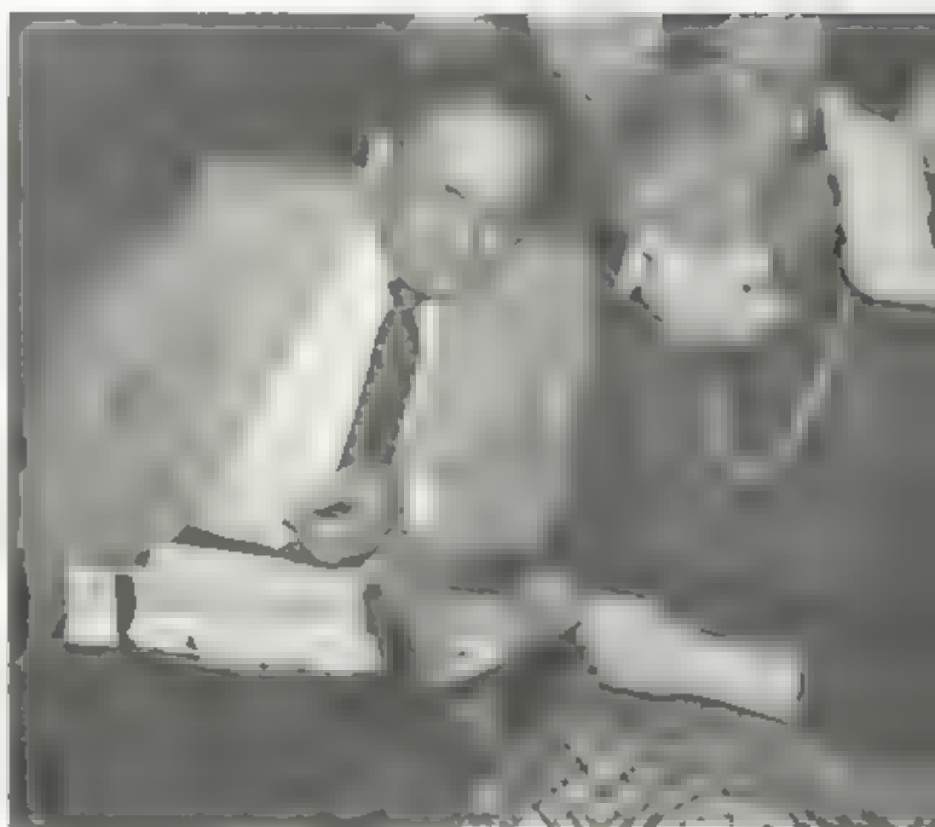

The National Honor Society is made up of outstanding JW sophomores, juniors, and seniors whom have achieved an academic average of 3.25 or better. The Society provides motivation for high academic performances, good citizenship, the developing of positive leadership skills, and for school-community service. Senior members of the NHS have the privilege of wearing a white stole and a gold tassel at graduation ceremonies.

This year the NHS had a Beau-

ty Pageant to raise scholarship money. The group also helped publicize and assisted with the Toma event.

Induction of new members was held shortly after the March 9, 1983 tapping of these students. A new member banquet, a Senior Salute Evening, and other events were planned and carried through.

Our NHS sponsors are Mr. James Brinson and Mrs. Meta Potts.

AT YOUR SERVICE . . .

The James Wood Kiwanis Key Club is a service organization, dedicated to the betterment of school and community. One of the major projects each year is to sponsor the Fall Sports Program. This year, members sold \$5000 worth of ads and also sold the programs at home football games. The profit from the project will be divided between the school's athletic department and a selected gift to the school.

At Christmas, the club members donated over 100 hours to a variety of nursing homes, the Salvation Army and their Key Pals—an original Big Brothers and Big Sisters project.

Selected Key Clubbers participated in the Christmas 1890's celebration and others were asked to work with the Chamber of Commerce at their annual dinner. Each class selects a project and donates earned money to a charity. Sophomores participated in the Valentine's Day Rock-a-thon and money was donated to the Heart Fund. Juniors participated in the Leukemia Fund Tele-a-thon, and Seniors held a giant yard sale for the benefit of the March of Dimes. Each year delegates attend the District Convention and the National Convention. The club has been awarded 5 first place trophies, which ranks them the #1 Club in the district.

Steve Zebarth, Jeff Butler, & Julie Renner help with the Big Brothers — Big Sisters Paper Drive. This Key Club project raised \$500.

THESPIAN CLUB . . . IN THE ACT

The James Wood Drama Department offered the fall production "Three Men on a Horse." This play was offered as a dinner theater production in the Ridge cafeteria in conjunction with a DECA club fashion show. In the spring, Thespian club members and other selected Colonel students did the musical "Bye

Bye Birdie."

To be a part of all this exciting action, a person must earn a certain number of points. They can get these by working backstage and acting

All the long hours of work and worries were shared by the sponsor, Mrs. Gloria Biddle. Congratulations on a fine year!!

The above two photos were taken on the field trip to Richmond.

The Amherst Art Club has forty members and the Ridge Club has approximately twenty-five this year. The aim of these clubs is to promote art in the school and community through student participation. Some of the year's activities has included taking third place in signs at Homecoming Mini-Parade, painting Halloween windows at McDonald's, face painting for the same holiday, making reference panels for the library, decorating Victorian-style Christmas trees on the mall, making silk-screened tee-shirts, Thanksgiving drawings on McDonald's windows, and a Richmond field trip.

PHOTOGRAPHY CLUB CAPTURES THE SCENE . . .

The James Wood Photography Club exists to allow Colonel students to explore their interests in the combination of art and science called photography. Some of the projects undertaken by the Photography Club this year are portraiture, High Contrast Kodalith, large format reversal film and the use of liquid emulsions.

SCIENCE CLUB IN THE PURSUIT OF KNOWLEDGE

The purpose of the James Wood Science Club is to promote student interest in and knowledge of the fields related to the academic sciences, and to provide educational activities for interested pupils. Sponsors for the 1982-83 school year were Science instructors Mr. Mathis, Mr. Jannuzzi, and Mr. Parkinson (Ridge) and Ms. Bailey, and Mrs. Phillips (Amherst). The Club was involved in a skit featuring E.T. for homecoming, the sales of J.W. mugs, and conducting several bake sales. Some members enjoyed a trip to the National Aquarium in Baltimore, and others in enjoyed a Springtime canoe trip. Ridge "scientist" did a computer compatibility matchup for a Senior sponsored dance. Computer knowledge and usage was stressed to the approximately 75 members

FOREIGN LANGUAGE LIVES AT WOOD

The Foreign Language Club has been very active this year. The club began the year by sponsoring the Foreign Language International Dinner which was attended by more than 200 students, parents, and faculty. The club participated in the Mini Parade, winning the prize for most spirit. A Christmas party, complete with pinatas and a visit from little Nemette, was held in the Ridge cafeteria. The students made and enjoyed such foreign treats as fondue and tacos. They also were able to learn more about Latin America from our foreign exchange students.

HELPING HANDS ... FUTURE HOMEMAKERS

The Future Homemaker's of America is the national organization of girls and boys studying Homemaking in high schools of the United States, Puerto Rico, and Virgin Islands. As an integral part of homemaking programs, FHA provides opportunities for students to have additional experience in planning and carrying out activities related to homemaking. The national organization is composed of chartered state associations which are

made up of local chapters. The number of members in the organization at James Wood High School is 76. The Activities for the year dealt with the theme of "Jobs and Careers". Our plans for the year included raising money for the Chapter through Fund Raising activities. We recognized FHA Week in Feb., and ended the year with an FHA Federation Banquet

FBLA

The James Wood Future Business Leaders of America has experienced a very successful year. The FBLA's purpose is to improve knowledge of business practices and to promote careers in the various areas of business. Students learned skills such as typing, accounting, and shorthand and gained experience which will be invaluable in future careers.

DECA . . . IN ACTION

DECA provides a place where one can earn while they learn. This year the chapter sponsors are James Biddle and John Pence. These two daring gentlemen encourage each and every one of their 94 members to do their best.

DECA participates in various activities during the school year. The 1982-83 year consisted of the City-County Government takeover day, Fall Car Show, Fashion Show, Fall Rally, Initiation Ceremony and Installation of Officers, State and District Contests, Employer-Employee Banquet and listening to various Guest Speakers from the World of Business.

DECA proves that there is more to school than books, homework, and unsatisfactory grades.

FORENSICS, DEBATE

Many dedicated hours of research and practice have helped both the James Wood Debate and Forensics teams to accept the challenge. For Debators, whether affirmative or negative, the goal was the same; to defeat the opposing team. Whether competing in debate or forensics the most important element is speech. In debate, one must give and support his ideas with evidence while in forensics you must use your ability to speak in a variety of ways. On both teams the object is to convince the judge that you are the most prepared and the best speaker or team. Both teams travel frequently in order to display their ability in the areas of forensics and debate. The James Wood Debate is coached by Mrs. Theresa Manchey. The Forensics team, which had had its most successful year is coached by Mrs. Manchey (Ridge) and Mrs. Shirley Place (Amherst)

WOODWORK

Publication of **Woodwork**, James Wood's literary magazine, is the primary responsibility of the **Woodwork** staff. Any member of the student body may submit art or literary work publication, but the design and editorial decisions, as well as the bulk of the writing and art work, are done by the staff.

We also sponsor an annual creative writing contest. This year's contest, with 145 entries was the largest ever held. In Division 1, for grades 11 and 12, the winners were Lynda Nurko, first, and Chris Kessler, second. Division 2 winners in grades 9 and 10 were Tina Daily, first, and Lara Ford, second. The creative writing contest helps us get material for **Woodwork** and, we hope, stimulates and encourages many students to write.

The staff would like to thank Ms. Westervelt for sharing her knowledge of creative writing with us

LIBRARY CLUB ... THE LEARNING HUB

The thirty-eight students in the James Wood Library Club are members of an organization which provides a valuable service for the entire school. They help to provide efficient library services to the faculty and students. In addition to checking attendance, stamping out materials, and shelving returned books, they aid in processing new books, locating magazines, and equipment, preparing bulletin boards and many other activities. They maintain an organized library which strives to provide books and audio visual materials to meet the needs of the curriculum. The library is the learning hub of our school.

CAMPUS LIFE

Have you ever had an insatiable (real strong) desire to play in the mud, ski one of the East Coasts greatest mountains, gorge yourself with pizza, spend a week on the beach, see yourself in a slide show, sing at the top of your lungs, watch a friend make a fool out of themselves (or you), get kidnapped, wear 50's clothing, catch a 3-D movie, meet the Love God in person, roller skate all night long, or shave your cat? If so, then you've probably been to a Campus Life activity or know someone who has. (Sorry, we really don't shave cats.)

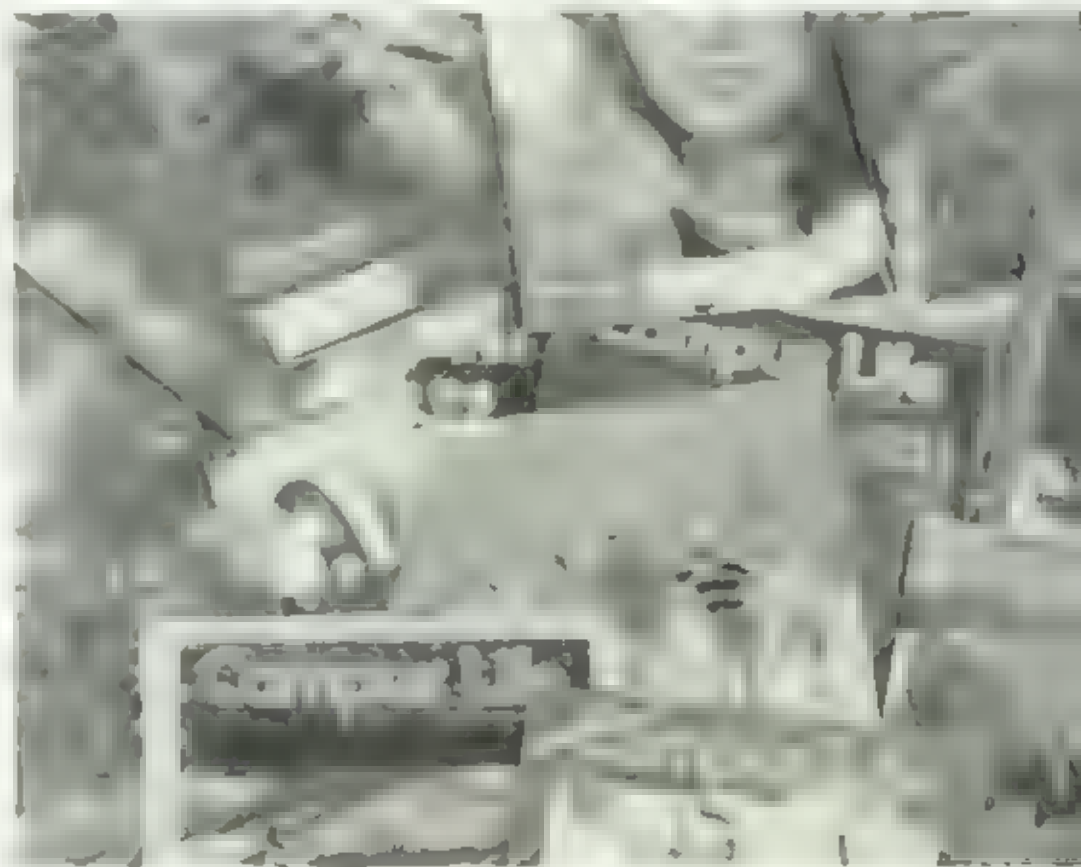

Campus Life is celebrating its third year at James Wood as well as Handley High School. It's one of the few places where students from both schools can meet on neutral ground and have fun doing it!

Campus Life is a national club organization with programs located in at least 1600 high schools across America. It began for one simple reason: to help students get the most out of their high school experience. Because Campus Life offers a wide range of activities and programs there is something for everyone to participate in.

Twice a year we take major trips outside of Virginia to places like Ocean City, N.J., for summer breakaways and the Pocono Mountains in Pennsylvania for winter conferences.

During the school year Campus Life can be found on a Tuesday night at 7:27 PM at the Old Rescue Squad Building for what we call regular club meetings (which are highly irregular times!). Club meetings are designed to bring students together socially as they rock to the background music and talk to friends (or try to arrange a date). As the meetings starts you find yourself participating in a strange game or exercise, watching your friends try to put on a skit, watching a flick, or trying to out sing (or yell) the person next to you. Since each meeting is based on a theme (identity, peer pressure, escape, parents, dating, love, friendship, etc.) there is a time reserved at the end of meetings to discuss problems or thoughts in these areas. Finally, Dan Sarian, the Club Director, or one of his staff will rap-up the discussion based on spiritual values and insights as found in the New Testament.

Other Campus Life functions and services at James Wood include our award-winning magazine by the same name located in your library. For the second year in a row Campus Life has co-sponsored along with the SGA, the multi-media show by Camfel called Stapede and Everyday Heroes. The Campus Life Director, Dan Sarian, and his staff of volunteers are looking forward to an even better program next year.

YOUNG BELIEVERS IN CHRIST

The Young Believers in Christ is a Christian Service organization serving God, themselves and the community. They met every other week for a Bible study under the direction of sponsor, Mr. Miller, and then on other occasions took time to work and visit in the community. They did such things as visit nursing homes, orphanages and did volunteer work with several organizations in Winchester

MILLER SIGNS WITH WILLIAM AND MARY

Sometimes it is possible to snatch victory from defeat. Despite our trying Varsity football season of one victory and nine losses, our Colonel players had some memorable moments and shining performances in which we can take lasting pride. One such example was the outstanding performance of Garland Miller both on and off the field. Miller's speed and ground gaining ability made him our leading yardage gainer of the season with over 400 yards. His quiet-spoken determination and humble demeanor also made him a leader off the field.

Miller maintained a high aca-

demic average, was involved in numerous school activities including Varsity Club, Weight Training, and Key Club, and usually had a kind word for everyone. Many colleges scouted him, including VMI, Bridgewater, and William & Mary. Miller finally selected William & Mary because this school "has a strong academic standing and quality of life that I feel will assist me in the future." He signed a letter of intent and a grant in aid with this college in February to play football there next fall. He plans to major in some area of science or history.

HITTING THE SLOPES . . .

Most of the members of the 1982-1983 James Wood Ski Club pose for a group photo. We are sorry, but space did not allow us to name these people individually.

Every year the ski clubbers of JW hit the slopes of nearby ski resorts. Skiing can be a dangerous sport, but more and more students are becoming involved in the "great white".

One person reported that "skiing is so much fun I don't mind falling down the slopes."

This year the JW Ski Club has approximately fifty members, most of whom posed for the group photo on the right. Mrs. Madeline Wade is the club sponsor.

JOURNALISM ... GETTING THE REST OF THE STORY

A pen, a piece of paper, a camera, and a good imagination are all essential keys to the success of the James Wood High School's monthly newspaper, the **Wood Post**.

The **Wood Post** staff meets 7th period everyday under the advisory of Mrs. Melanie Delph. The staff publishes nine issues of the Post yearly. It also has a monthly page in the Winchester Star called Wood Territory.

The **Wood Post** survived the past year by selling the paper, and holding miscellaneous fund-raising events.

WOODBINE CREATORS

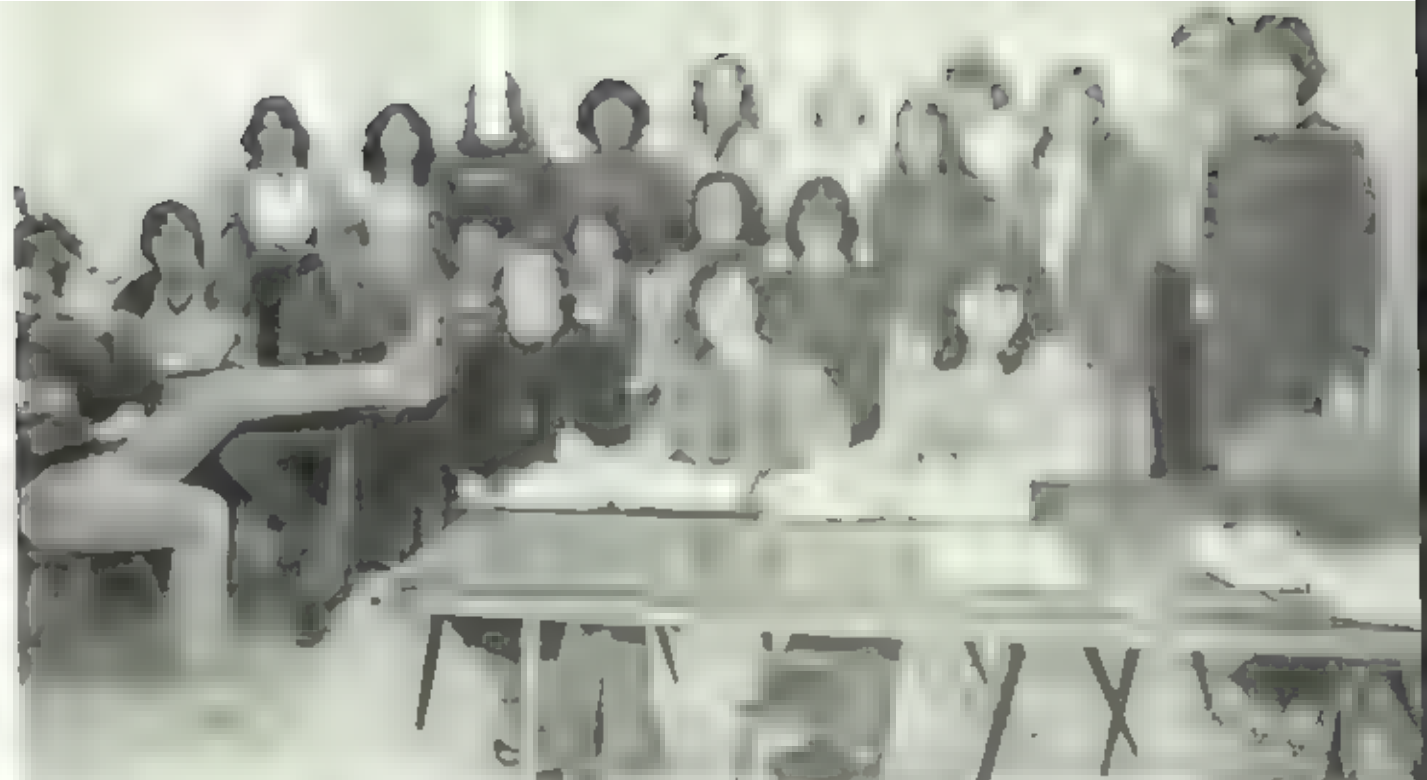

To the casual observer, creating a tangle record of a school year looks relatively simple. Just get the photos, write something informative, and mail it all to the yearbook publisher. The twenty two 1983 WOODBINE staff members, the numerous student assistants, and the one faculty advisor well know that creating a QUALITY yearbook is a demanding and multi-hour consuming task. Photo scheduling, juggling sales and deliveries at both campuses, contacting clubs, doing layouts, writing copy, enduring long afternoon and evening work sessions, occasional fits of giggles and stupid jokes, errand passes, the "Blizzard of February," and deadline pressures all helped make up the fabric of the 1982-83 WOODBINE experience.

We, the creators of the book, accepted the challenge of providing a realistic and enjoyable record of the JW year for the 1550 Colonels who purchased our book.

PEOPLE

Friends, classmates, teachers, administrators, and staff greeted us every day of the school year with a helping hand, an explanation, a smile, or a blank look. Together, for one special appearance, we proudly remember the faces of our Colonel people.

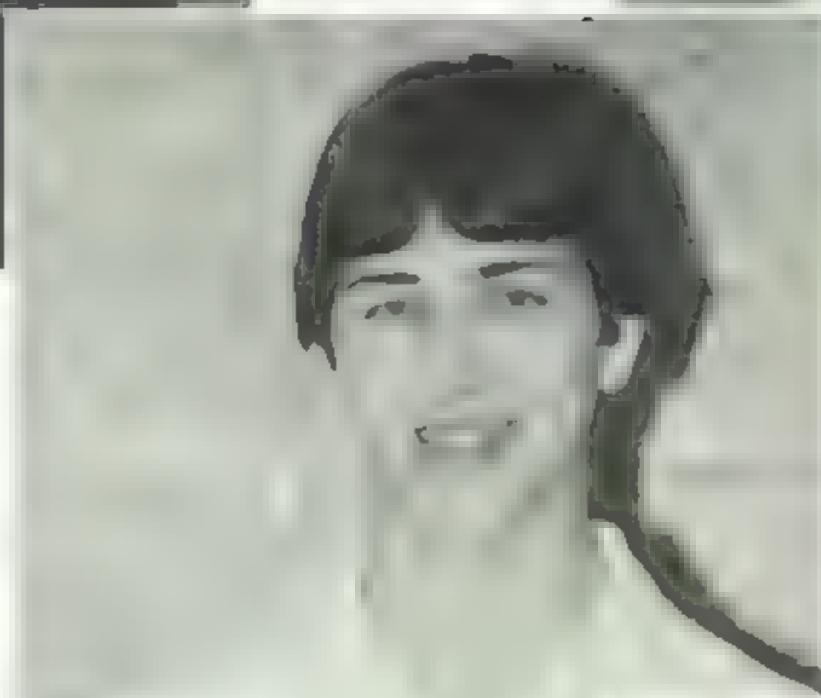

ANN HOMAR, Vice President

MELINDA MOSSHOLDER, Secretary

DAVE ROSIA
President

JODY ARNOLD, Treasurer

JINIFFER MEZZATESTA, Activity Co-ordinator

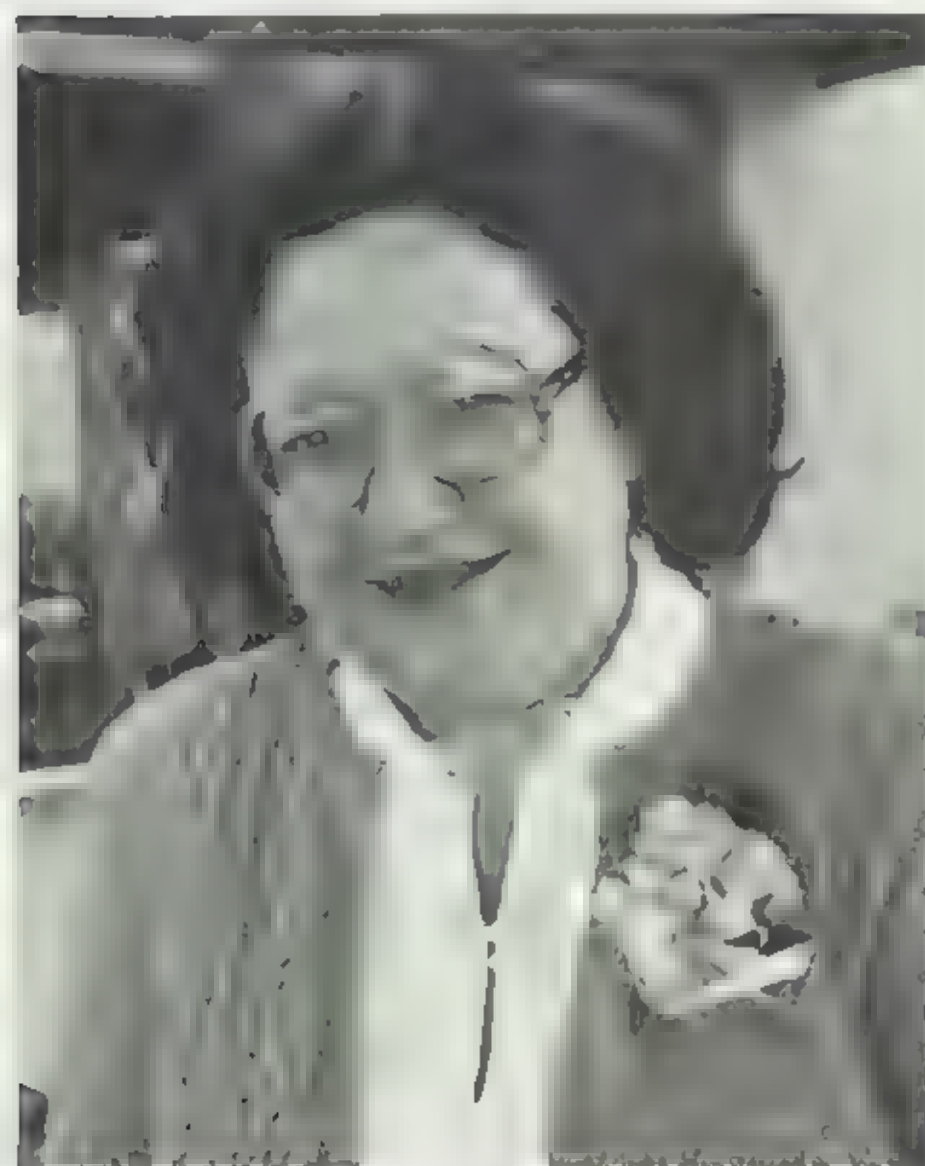

MR. GARY COCCA, Sponsor

The CLASS OF '83 accepted the challenge of successfully completing the school year. More than 500 Seniors started the year and most managed in some manner to survive, and many achieved much success. Class officers led the way. President Dave Rosia kept his zany sense of humor most days and headed the Senior class activities. Ann Homar held the office of Senior Class Vice President, and Melinda Mossholder served as Class Secretary. Jody Arnold, acting as Senior Treasurer, kept account of the Class of '83 funds. Jennifer Mezzatesta served again this year as Activity Coordinator.

Class sponsors were Miss Marie Spence and Mr. Gary Cocca. Miss Spence has been the Class of '83 sponsor since these students entered JW as sophomores. Mr. Steve Kapocsi served as class sponsor for one year, and then Mr. Cocca assumed his position in the Junior year.

The Class of '83 is unique. The time to leave James Wood is here. Good luck! Remember the class motto: LET US RUN WITH COURAGE THE RACE WHICH LIES BEFORE US.

RECIPE OF A TYPICAL SENIOR

Take one boy or girl
 Add age 17 or 18
 One know-it-all attitude
 Stylish or wrinkled clothes to taste
 One snazzy class of '83 ring
 3 cups college or job panic
 8 cups homework
 Varied amounts of geometry, gov-
 ernment, English, Industrial
 Arts, and Physics
 2 tablespoons senior slump
 4 white school excuse cards
 (signed)
 14 pink excuse card (unsigned)
 8 teaspoon senior privileges
 5 cups Colonel spirit
 1 tablespoon administrative con-
 tacts
 2 cups teacher push and support
 1 cup extra-curricular activities
 Place in blue and gold atmo-
 sphere. Mix well with caution and
 add equal amounts of sophomores
 and juniors. Sprinkle in a few fresh-
 men. Let attend classes and sport-
 ing competitions for nine months
 Multiply by approximately 500
 Yield — the PROUD 1983 JAMES
 WOOD HIGH SENIOR CLASS.

AWESOME

We have enjoyed, endured, and been somewhat educated by the past dozen years of our lives: we are the CLASS OF '83. Any place is our place, every dream is our dream. May we face the coming years fortified by our class motto: LET US RUN WITH COURAGE THE RACE WHICH LIES BEFORE US.

Top Left: "Colonel" Ken Downs displays school spirit

Top Right: Students in Government show their love for "just four walls and a door environments"

Above Left: Part of being an active school member is taking part in fund-raising projects

Center: Could Garland Miller be thinking that part of being a Senior is putting up with lots of picture-taking?

Right: Ann Homar, Allison Edwards, and Laurie Irwin preparing to take their dance act on the road?

Bottom: One aspect of the final year in school is the seemingly endless paperwork

Being a Junior is almost being at the top of the Colonel student ladder. Being a Junior is having to worry about thousands of dollars from many fundraising activities for prom expenses. Being a Junior is great! Being a rising Senior is even better.

Being a Junior sponsor is quite a challenge. Mrs. Stewart has managed to stick with the Class of '84 for three years. She has had three male faculty members as co-sponsors in three years. Thank you, Mrs. Stewart, for staying with us

JUNIOR CLASS

The Junior Class spent most of the year working on the **prom** — choosing a band, planning the decorations, deciding what food to serve and invitations to send. We produced a very **special evening** for members of our Junior and Senior classes at James Wood.

Leadership for the class has been provided by President Kaley Pennington, Vice President Gina Rigglesman, Treasurer Betsy Michael and Secretary Monty Campbell. **Karen Downes** served as prom chairperson and did an excellent job in coordinating everyone's ideas in reality. Class sponsors were Mrs. Cindia Stewart and Mr. Ben Mathis.

CLASS OF '84: CANDIDS IN ACTION

The Juniors enjoyed a variety of interesting activities this year, including the December delivery of class rings, participating in Powderpuff Football, making new and deeper friendships, "surviving" the walk across the parking lot, having new instructors, and developing a class unity

JW Wrestlers are tough. Darren Brown and Jeff Bouais rest on the mat during the Westminister Tournament

Ridge Parking lot shot. Greg McFarland and Gwen Barley flash matching smiles

Ouch! Brenda Kitts takes a brief rest during the powderpuff game

December ring delivery! For the first time in our school history, Juniors received their class rings before Christmas

Catching forty winks. Randy Ashley is caught preparing for a Friday evening game

Friends share secrets. David Oates, Tim Frve and Scott Townshend enjoy a Mad Lib

Concentration? Ben Cain seems to be wondering if class is really worth it!

Costly excitement. Members of the Class of '84 looks over a variety of rings

Friday Afternoon Football. Juniors in jerseys pause to pose

SOPHOMORE CLASS

The 10th graders here at James Wood High School have had a very promising year. They are well on their way to raising the funds needed for the 1984 Junior-Senior Prom. The ways the industrious Sophomores have set out to raise the money included various activities and fund raisers, the sales of the J.W. Painter Hats were a big success. They were a familiar sight among many school spirited students. The hat had the famous "J.W." on the front and "Go Colonels" on the back. The class of '85 has also held a Halloween Dance and a monster movie called "The Haunted Palace." The Christmas season brought new ways of raising money. The sophomores sold wreaths, brooms, mugs, and sleighs on the old mall at "Christmas 1890." They have sponsored other dances and fun activities. Congratulations!

Country music came to James Wood Ridge Campus in a big way one morning thanks to the SCA! The Navy band, COUNTRY CURRENT entertained the Juniors, Seniors, faculty, and some members of the administration with good "ole down home music" and everyone had a great break from the usual school routine.

TOMA . . . LOOK & LISTEN

David Toma is a New Jersey native and started working on the police force there at the age of 21. He has more than 21 years of police-detective experience. The TV shows Toma and Baretta were based on his life. He personally knew Elvis Presley, Freddie Prinze and John Belushi, all whom died of drug abuse. Toma shares with people the world over his love and concern for them. He stresses that if people dare to play with drugs and alcohol, they must be willing to pay the consequences. He was sponsored by Kids Are Our Concern, James Wood, Handley, Campus Life, and various other civic groups. Toma came to Winchester March 1 & 2, and spoke to more than 5,500 people during his visit. Lt. Col. James Longerbeam was personally responsible for helping Winchester obtain this man who has been called the greatest motivational speaker in America today. Toma says the reason why young people turn to drugs and alcohol is because they are insecure, uncommitted and without a strong faith in God. Mr. Longerbeam said, "I hope he will have had the right kind of impact on parents and young people in our area."

Toma mesmerized his audience at J.W. Grades 4-12 packed the Ridge gymnasium. The large hall was filled with students and their parents. Many of the students were wearing T-shirts that said "Kids Are Our Concern." The students were very attentive and many of them were able to meet with David Toma. Discussing the importance of his visit.

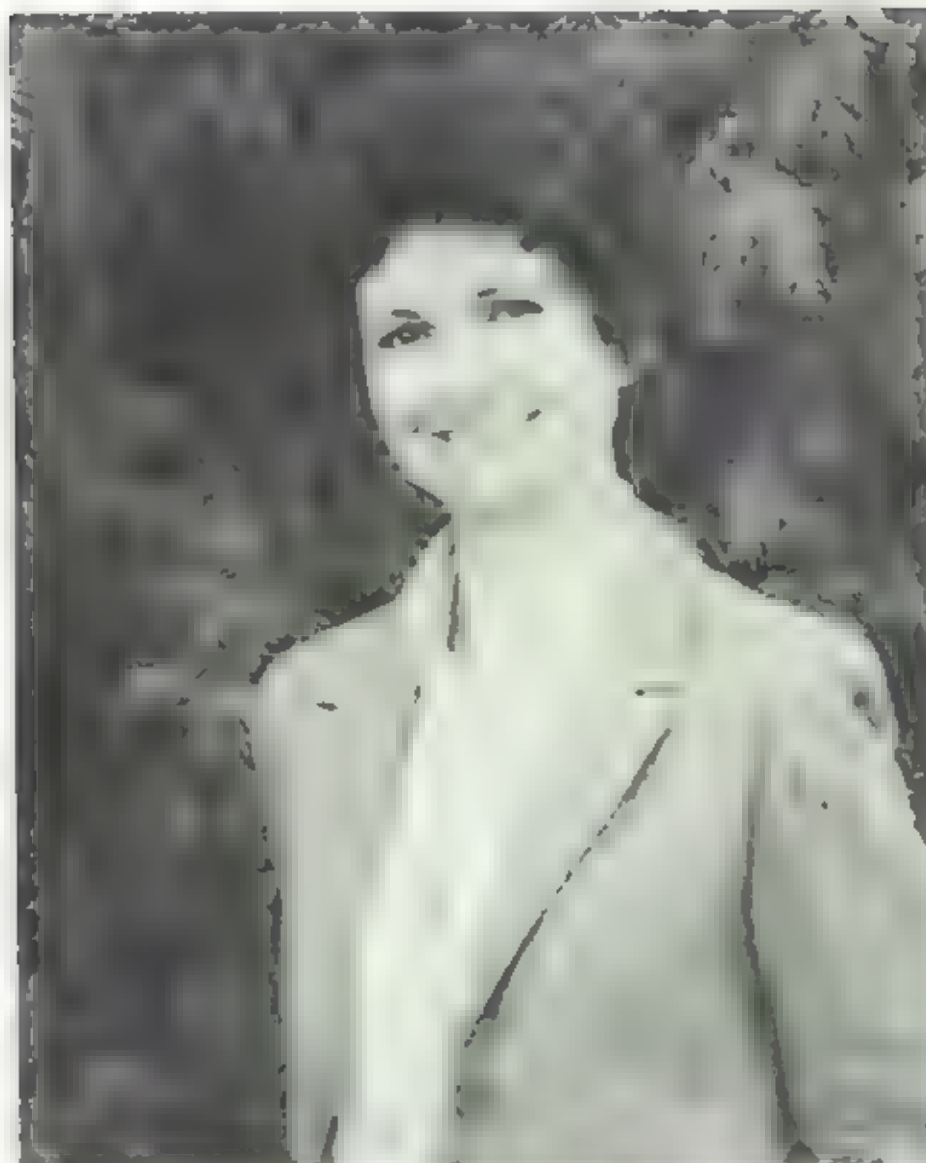

FRESHMEN CLASS

The class of '86 has been hard at work all year round. They have been striving to unite all kids from Robert E. Aylor and Frederick County Middle Schools. Under the supervision of Mrs. Karen Barker and Mr. James Biddle, they have held a number of activities and fund raisers. Among these were the Holidance, the sales of two-year planners and J.W. pens, Pancake Day, Dress-Up Day, Warm-up suit Day, and car washes.

This year the Freshman class consisted of over 6 hundred members. Five outgoing students took on the strenuous job of organizing this class. They were the class officers. Included were:

Mike Gorden	President
Stephanie Shirley	Vice President
Tammy Fletcher	Secretary
Lori Slater	Treasurer
Lisa Wilt	Activities Coordinator

Their goal is to raise \$2 thousand each year until their junior year

COUNTY ADMINISTRATION

Dr. Kenneth Walker, division superintendent, has had extensive teaching and administrative experience, including teaching at the elementary, secondary, and university levels. His administrative background includes experience as an assistant superintendent and superintendent of schools. Immediately prior to coming to Frederick County, he was superintendent of Northumberland County Public Schools.

Dr. Walker is the author of several books and articles and has conducted numerous seminars, including a recent seminar for the National School Boards Association. He has received recognition in the *Dictionary of International Biography*, *Directory of American Scholars*, and *Who's Who in Educational Administration*.

A native of North Carolina, Dr. Walker has lived in Virginia since the middle sixties. He and his wife have three daughters and one grandson.

SUPPORT STAFF

Students are helped by the staff of James Wood everyday and in many ways. The guidance people are always willing to listen to problems. They help students with schedule changes and the selection of classes for the next year

Lunch is an important time of day. It takes a great deal of preparations to produce the well balanced meals that are served in the school cafeteria. The cafeteria ladies are hard at work making lunch for 2400 students by ten o'clock Monday thru Friday

Mr. Hoffman, the security cop, provides order in the school parking lot. If a student misses their bus to Dowell J. Howard or to the other campus he is always there to take them

Coaches try to teach athletes a sense of good sportsmanship. They also try to be a friend. You will often find a coach trying new things

The teachers at James Wood help their students find their greatest abilities. They help when a student has a problem with an assignment

Mr Hoffman, our school security officer pauses for a quick photo in the front hall of Ridge Campus

The secondary level guidance staff has a meeting in the Ridge library. These guidance people are: Mrs. Elsie T. Grant, Ms. Connie Parkinson, Mr. Jerry Tingle, Ms. Rosalie Brinson, Mr. Robert Ewankov, Mr. Terry Boyd, Mr. Joe Swack, and Mr. Robert Weatheron

Mr. Dennis Webb, new at James Wood this year as a teacher and coach, also takes the time to ref some wrestling matches

A well special thanks to Mrs. Mary Vaughn and several of her art students for all the special artwork used in this book and all the last minute help and cooperation

THE HUMOROUS TOUCH HELPS US GET THROUGH THE DAY!

Top Left: Mrs. Biddle tries to convince Mr. Cocca he does want to build her play backdrops

Top Right: For Mr. K. and all the photo design students just one more reversed photo of Miss Spence's car!

Top Middle: Mr. Brinson tells the Williamsburg fieldtrip students, "A little rain never hurt anyone"

Center Left: Mrs. Potts and Allison Edwards compare jogging outfits

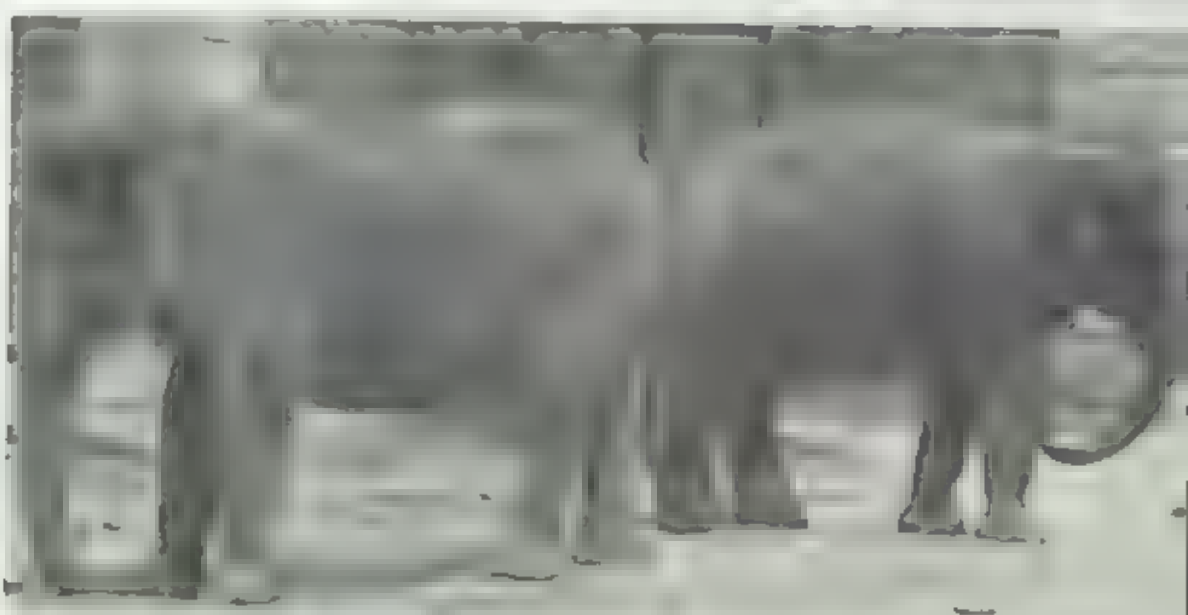

Bottom Left: Boy, cafeteria food really sticks with you

Below: What do you mean my hair dryer blew up

Top Right: Mrs. Jones, Mr. Copp's son and Mrs. Walters try to ignore the hard bleacher seats!

Center Left: Mr. Weatherton seems to be wondering if someone superglued his coat to the wall

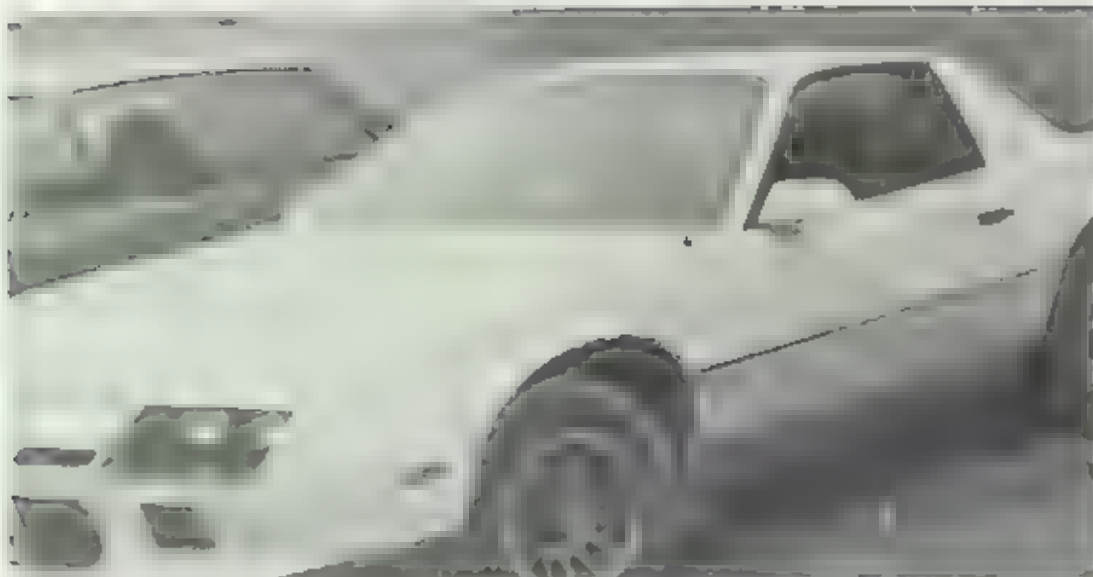

Center Right: Somedays it's very difficult to make ends meet!

Left: When Mrs. Hodgson is away sometimes the office crew will play

Far Left: Mr. Kebcar and Robin Landes compare outfits for the day

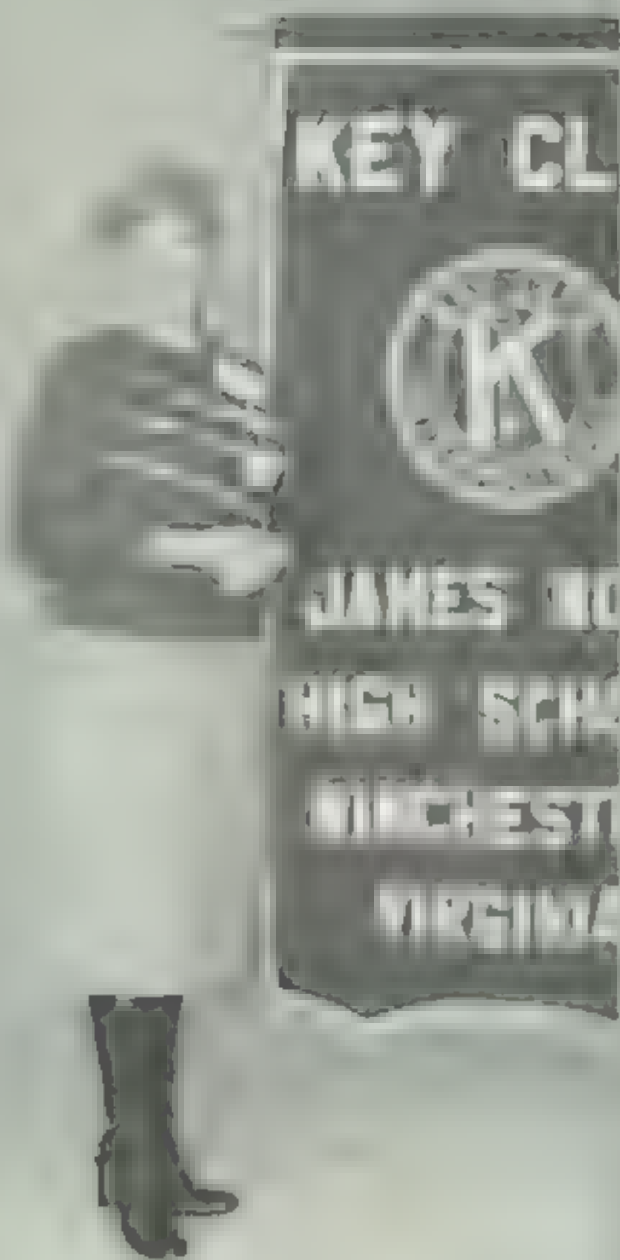

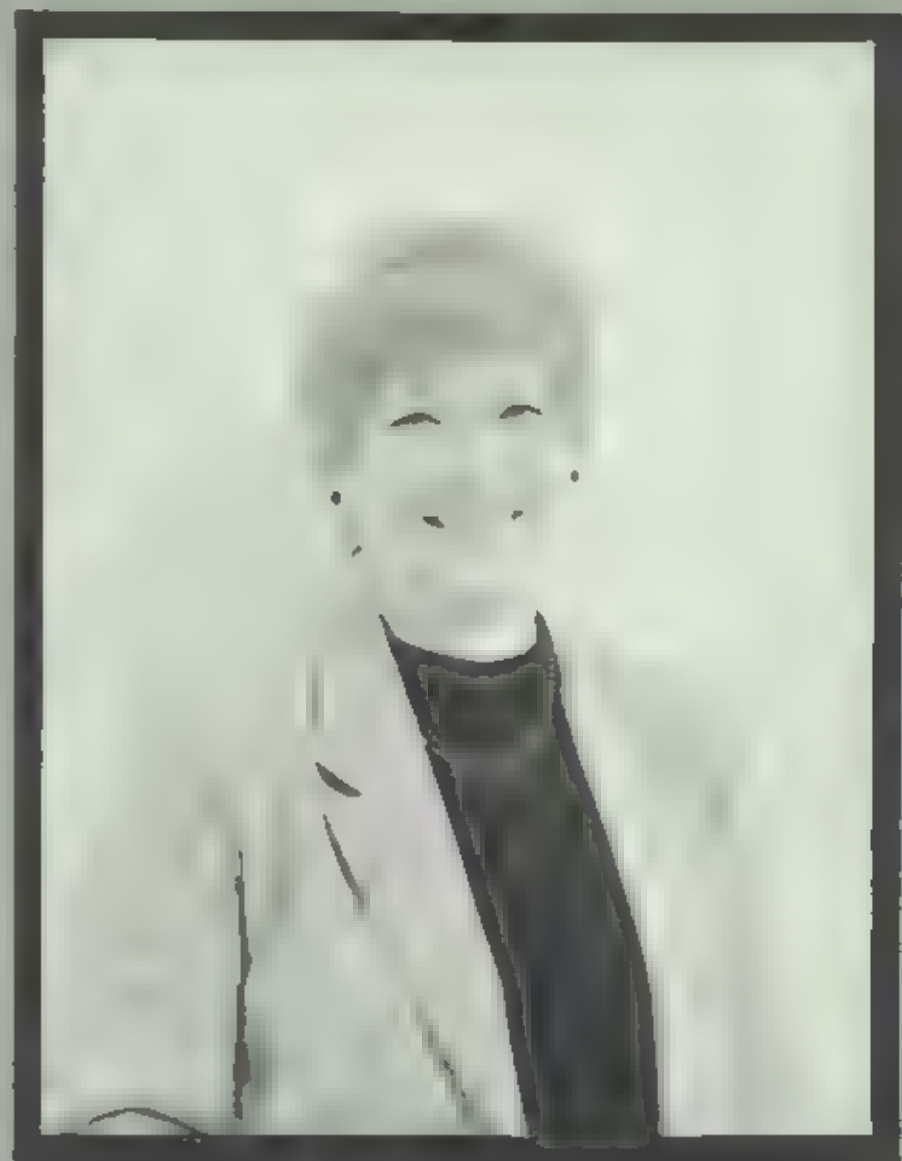

Left: Hello kids. I'm the detention teacher!

Above: Mrs. Hodgson and Dana Kirby prepare to sail away

DEDICATION

Mrs. Potts takes a brief moment to pose by the James Wood Key Club Banner. Mrs. Potts also sponsors the National Honor Society.

COLONELS ON WHEELS

February 3, 1983 was a Colonel night to remember at Dominion Skating Center. For three hours on this Thursday evening Colonels on wheels whirled around the skating rink to the sound of pop music and laughter. Over 700 students paid a special rate of \$1.00 to get in, which was far above the expected turn out. The ninth grade cheerleaders performed a special routine to the song "Everybody Wants You." Mr. Tisinger, Ms. Monahan, Mr. Bolyard, and Ms. Spence also showed up. The entire evening was planned and deejayed by JW Senior, Randy Poole. The party was so successful that another was planned for the last nine weeks.

WE WILL ROCK YOU

WE WILL ROCK YOU! A seemingly vital part of each student day is music — mostly of the rock variety. Music blaring from car radios, stereos, or tape players. Music helps us get through each day a little easier. A fortunate few get to spend

hard earned dollars on concert tickets and get to see and hear recording artists **LIVE**. Here we present of few of the musicians Colonel people have seen and photographed in the past few months

REO Speedwagon blasting out a song

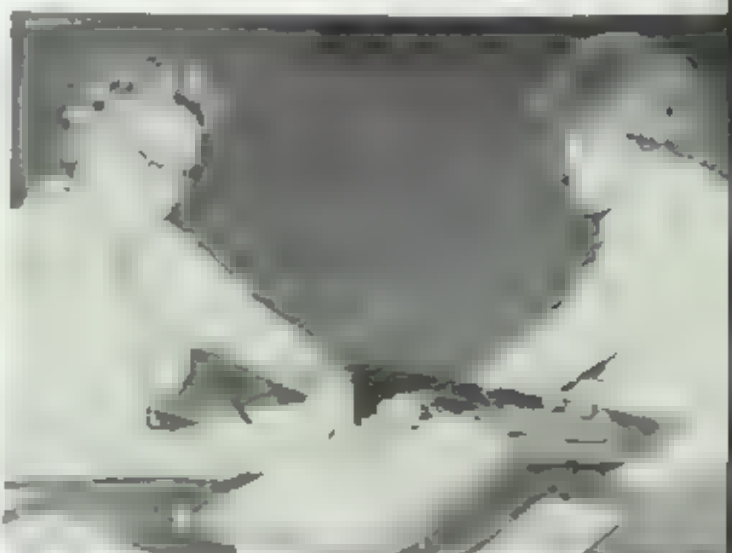

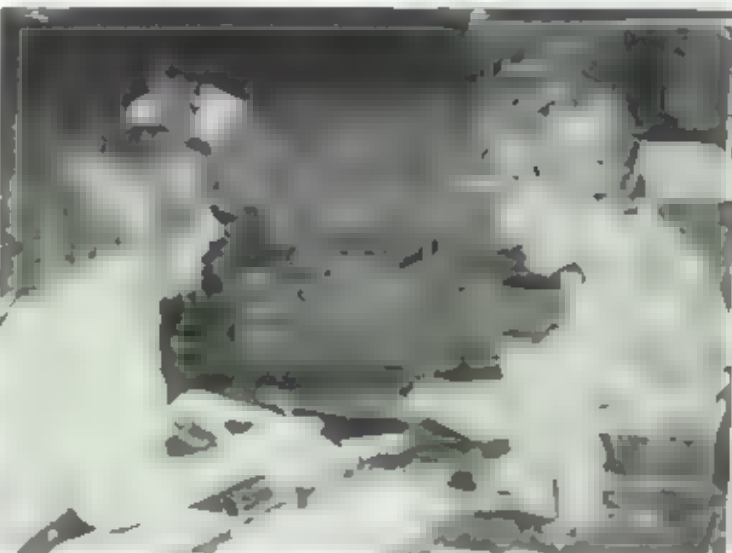

Far too often most teenagers are considered to be largely unconcerned about the "realities" of life or about the needs of others. James Wood students generally do not fall into this uncaring category. More than 109 people turned out to donate blood so that others could have the gift of continued life. The quota was reached, and even though a few donors got dizzy for a short time after giving blood, almost everyone involved agreed that it was a giving, worthwhile situation.

Even teacher, such as Mrs. Carolyn Beard donate. (Top left)

SIDELINE ACTION . . .

All eyes focused on the sports event. Everyone intently watching the action. Boundries of the athlete's world drawn by the perimeter markings of the game. Sports participants designated from the spectators by athletic uniforms. Nothing interesting going on anywhere nearby. Right? Wrong! Sometimes the sideline action is as compelling as events unfolding on the field, court, track, or mat. Spectator facial expressions often mirror the ebb and flow of the game. Parents and special friends of participants intensely expressing approval or dismay. Many present who are seemingly unaware that a sporting event is going on at all! Little children playing, laughing, and bouncing around. Cheerleaders keeping the Colonel spirit burning. It's sideline action!

(top, Final score of the JW-JH basketball game (center) Mat-movers at work, and The Freshmen cheerleaders at an outdoor pep rally (above) Cary Copp and "friend" on the sidelines during wrestling (left) Football and wrestling sideline "support people."

GET THAT COLONEL SPIRIT.

A FUTURE ATHLETE IN ACTION Little Casey Thompson, daughter of Mr. and Mrs. Mike Thompson, put on her own halftime athletic display. When Stephanie Shirley came out to get the ball, Casey would not take it back from her and Mr. Thompson had to come and reassure his daughter that all was okay!

Candice Booneville, daughter of Mr. and Mrs. Bob Bonneville, shows off her new Docksidiers' (center left)

(above) John Cain goes for two at home against Potomac

(left) Wrestlers' parents were honored at the last home match

Although all Colonel classes usually take school spirit seriously, the Seniors consistently yell the loudest, longest and most enthusiastically. Perhaps some are realizing that the time to leave the relatively safe "cocoon" of JW is rapidly approaching.

MORE SIDELINE ACTION . . .

People cheering, talking, laughing, or yelling! Athletes panting, or preparing for their moment to enter the activity. Small areas of intense concentration amid the confusion. It's more Colonel sideline action! Whether it's a serious sporting event or sports just for fun, Colonel people accept the challenge.

IN MEMORY OF ROBERT HARPER

Sometimes in the frantic rush of daily living, someone comes along who can slow you down, calm you, and reintroduce you to the essential beauties found in the simplicities of life. **Mr. Robert Harper** was such a man. Those of us who knew Mr. Harper as a teacher, advisor, relative, concerned citizen, or friend are eternally enriched by our too short contact with him and miss him greatly.

(top) Robert Harper and his brother Kenneth Harper, proudly display new farm triplets (center) Mr Harper loved all of God's creatures (left) All who were fortunate enough to have had their lives "touched" by "Harper" will not soon forget

Bard Harper's gone.
You don't say!
Aye, the wild geese have come and took him away.
But I'm not ready yet, we've plans to lay.
There are places to go and I've things to say.
The good Lord has spoken, He wants him today.
Life's its own answer, the heart of the play

Bard Harper's gone.
You don't say!"
Aye, the wild geese have come and took him away.
But we're not ready yet, he's part of the whole
We're newly together, just come to the fold
The good Lord is ready, the bells have all tolled.
Man's here but a moment, its all been foretold.

Bard Harper's gone.
You don't say?"
Aye, the wild geese have come and took him away.
But we're not ready yet, there's things to do.
The wood's not cut and he's to mend the flue.
The good Lord needs him, He's work for him, too.
Time runs swift and he's paid his due.

Bard Harper's gone
You don't say?"
Aye, the wild geese have come and took him away.
But I'm not ready yet, I'm just a man.
There are things to be shown, I need his sure hand
The good Lord has called, it's part of His plan.
The waters of time change life's patterns in sand.

Bard Harper's gone.
You don't say!"
Aye, the wild geese have come and took him away.
But we're not ready yet, we may go astray.
He was the light in the forest, he lit the way.
The good Lord has others, they'll learn what to say.
We're part of His puzzle, His will to obey.

Aye Bard Harper's gone.
We've said what's to say
The wild geese'll not come again this way.
We're hurt, we're sorry, it's hard to mend.
My the times won't be the same again
Yet, take comfort, remember the best of him,
The Good Lord was kind to share such a friend.

JAMES WOOD BEAUTY WINS JUNIOR MISS

Lisa Nerangis was selected to represent the four-county area as Shenandoah Valley Junior Miss. She received scholarship money in the amount of \$550 from area businesses and several gifts from area merchants.

Lisa performed a jazz ballet to "Debra's Rock" from "Ice Castles". Lisa not only won the overall competition, but the talent, poise and appearance, and the physical fitness categories. She is the daughter of Mr and Mrs. N.J. Nerangis of Winchester.

Lisa was Miss James Wood for 1980-'81 and first runner up in the Miss Shenandoah Apple Blossom Pageant in March.

The students and faculty of James Wood Ridge and Amherst Campus wish to congratulate Lisa and to wish her a promising future.

BOOKS, GYMBAGS, AND LOCKERS . . .

A school does not create the character of its students and teachers, the students and teacher-administrators create the character of the school. The challenges and changes come, and the reaction to new ideas, traditions, and feelings interact to create the lifestyle each Colonel person faces. Styles and faces take on

new identities but the basic structure remains the same — the fundamental education of local American youth

There are always rising Freshmen who are beginning the challenges of the high school world as well as the Seniors who, while enjoying "top class status," are thinking ahead to life after high school

(top) Jay Grady seems to be wondering who or what has been in his locker!

(middle left) Todd Hutton prepares for a class before the first bell

DAILY WE ACCEPT THE CHALLENGES OF WOOD

(top left) Seniors usually find ways to display individuality.

(top right) Coach Webb and Greg McLean hold a conference in the gym.

(center left) Our cafeteria ladies can always be depended upon to provide lots of food.

(center right) Amherst students go through the lunch line.

(left) See, Schultz seems to be wondering, "Who Am I, all these people?"

(above) School spirit is ever present and takes many forms.

CLASSES, CLUBS, AND SPORTS . . .

Each day and each task offers challenges to be met with success or defeat. Everyone will move on in the years to come, but the memories of our times as JAMES WOOD COLONELS will remain. Though the problems may become progressively more difficult as we ascend the Colonel academic ladder,

solving them increases our knowledge and capabilities. Keeping up with these challenges can be a full-time occupation. However friends, teachers, administrators, and parents help us to accept and more often than not successfully meet the challenges of Wood

Kellie Smith (12): Tom Gochenour . . . I like him for what he is.

Tom Fagan (12): Eddie Roomsburg because we can be honest with each other and remain friends.

Jeff Kerns: John Fitzwater. He respects others, but does his own thing.

Scott Chisam (12): Ricky Miller . . . an example of TOTAL EFFORT.

Stacey Oates: Lisa Nerangis; she gives everything her best shot.

Wilda Swartz (12): Sharon Reid . . . she's just like me.

Teresa Riggleman (12): David Guard for his neverending determination.

Kim Foster (12): Garland Miller; no matter how upset he is, he always has something kind to say.

BUT IN DESPAIR, THERE IS A RAY OF HOPE

SENIOR THE CLASS OF 1984!

But don't despair, there is a ray of hope! In just one year, a Junior will be a MIGHTY SENIOR THE CLASS OF 1984!

A FRESHMAN IS . . .

- A "rookie" at Amherst
- A beginner in high school
- **Far below a Senior.**
- **First to start a good fight.**
- A person who has a problem "but doesn't know it"
- **First to get lost at Amherst and the last to care**
- Trying to become popular and sometimes succeeding
- Someone who still may collect matchbox cars and Barbie dolls.
- At best, a "3" on a scale of "10".
- Raw material for future greatness.
- A "Baby Colonel".
- Easy to locate in the halls and at games.
- Willing to join new clubs and try new ideas.
- A pain (?) to the faculty sponsors.
- Someone who slowly becomes a Valuable part of JW and a good friend (sometimes) of upper classmen
- Looking to **NEXT** year as the "ruling class" of Amherst
- First on and off the bus
- A member of the one and only JW Class of '86!

A SOPHOMORE IS . . .

- "The Head Honcho" of Ankerst
- Usually someone waiting for his/her sixteenth birthday
- One step closer to being a senior
- Becoming a vet at "high school Survival"
- Working up the scale to a "Ridge 10" like a "8"
- Celebrating a DECADE of being in school
- Sporty, casual, and usually a vacator
- Key to action
- The master of "oh, sorry, I forgot"
- Someone who wants a lot of advice and help
- Totally awesome
- Someone who loves it over freshman
- Someone who is a little more excited about having something completed
- Sometimes someone who runs to the mailbox to burn their progress reports before their parents "burn" them
- Worried more about weekends than weekdays
- Always wishing for "snow" days
- A person who does much better in a class the second time
- A "rising" Ridge person
- An important member of the "Highly Classy 8's"

Eric,

Well we finally made
it through Sex Ed.
we both got good
grades and that's
all that really counts.
I'm glad I got to
meet you, you
are a real sweet guy.
I hope you have a
"fantastic" summer,
but stay out of trouble,
Come to Roy Rogers and
see me sometime.

Love Jay

Robin

P.S. Stay sweet!

Eric.
It's been nice
meeting you this
year. It's a bad
to stay in our
English class.
We'll have summer
a nice summer &
good luck next
year. Love
Gina

To a really ^{nic} guy

Eric
It's been really
nice getting to
know you this year.
It's been great in
Algebra. See you
next year.

Eric,

It's been a pleasure having you
in algebra this year. Remember
all the different times in Gene's class.
Well anyway have a good summer
and stay out of trouble.

your friend

Eric
To a very
nice, cranky
person. It
has been a
pleasure knowing
you this year.
Good luck in
whatever you
undertake in
life. B-O-F-A!

Eric,
I hope
you have
a great summer
and good luck
in whatever you
do. See you next
year. Sharon
